

Class Policies

- If you are unable to come to a class that you paid for, you will need to call the store (435-723-1315) to cancel **at least** one week in advance for a refund. If less than one week's notice is given the class fee is nonrefundable.
- If this is an ongoing class or club, I will move you only **ONE** time into the next session.
- Each class has a minimum student requirement. If the number is not reached, we will notify you one week in advance to let you know if we can reschedule or if the class has been cancelled. In this case fees will be refunded.

Thank you so much for supporting all the great teachers that are willing to share their amazing talents with us.
