## *What is the Quilter's Run?*

The Quilter's Run is a fun, exciting opportunity for quilting enthusiasts to discover the many smaller, locally owned shops. Each shop has its own "flavor", no two is alike. Each has a different mix of fabrics, patterns and notions for endless inspiration! Plus, take advantage of the many special discounts and promotions at each shop, make new friends, and build your stash.

To participate in the Quilter's Run, visit each shop on the list (or as many as you can) and collect a Mountain Card from each shop. Turn in your envelope and all of the Mountain cards to the last shop you visit. This will enable each quilter to be entered in the door prize drawing and those that visit all the shops will also be entered in the grand prize drawing.

The Quilter's Run was created to bring our quilting community together in an awesome opportunity to visit new shops, see how each shop differs, and increase your stash before Winter starts and the **SNOW** comes.

Please be sure to check the information for the shops you visit because the days and times vary. If you have specific questions for a shop, please give them a call.
