

Basic Embroidery Machine Operation for New Owners

Supply List

- Embroidery Foot
- Power Cord
- Hoops that came with the machine
- Embroidery Unit
- Water Soluble Stabilizer such as Aqua Mesh by OESD
- 6"x8" piece of solid fabric backed with Pellon SF101 (shape flex)
- 6"x8" piece coordinating fabric
- Embroidery thread to contrast with the solid fabric
- Empty Bobbins
- Pre-wound bobbin
- Applique Scissors (Hoop Sisters Mini Applique Scissors) or Snips

This 5-hour class will introduce a variety of stabilizers and when to use each one. All embroidery functions of the machine will be addressed. You will learn how to build and stitch out a project using features built into the machine.

There is a class fee of \$100 for machines not purchased at 35th Ave. Sew & Vac.
