Class Description

PREREQUISITE: MUST HAVE PRIOR KNOWLEDGE OF INKTENSE!

Bring your own photo and let's create a masterpiece, using nothing but Ink! You will be creating your own design and pattern based on your photo. You will be using all the tools you've learned in Beginning and Intermediate class and taking it to the next level! For your photo, choose something that you feel would not be too difficult as we only have 2 days to complete! Inktense is much like watercolor and can be tricky. Please send your photo to me prior to class for approval. Remember, IT MUST BE COPYRIGHT FREE! You can use your own photo, or one from several copyright free sites, such as www.unsplash.com or www.pixabay.com.
