☒ Other Supplies Needed

☐ Pre-Class Preparation

1. Batik Fabric – look for fabric that isn't too busy but has many colors in a colorway. You will need 5/8 of a yard.

2. Coordinated Thread of every kind. There is no limit here. I love variegated ones! I use rayon, polyester, cotton, metallic, all weights and a full spectrum of colors. You want the thread to pop off the fabric so DO NOT match the color of your fabric, rather something that will stand out!

3. Couching Materials – Anything goes here. You can use yarn or cording, recycled sari yarn – love the texture, decorative yarns of all color as well as rattail, embroidery thread, baby rickrack, etc.

4. Steam-a-Seam Lite or Wonder Under – (I personally use Steam-a-Seam), cut the same size as your background batik fabric

5. Fusible Fleece – cut same size as your batik fabric

6. Black cotton – cut same size as your batik fabric

7. Rattail (Satin Cord) – You will need enough to go around the perimeter of your final piece.

8. Couching Foot – This specialized presser foot is optional but helpful

9. Zig Zag foot and plate for your sewing machine

10. Sewing machine and your basic sewing supplies

11. You will be using your decorative stitches on your sewing machine so bring all your feet and plates that go to your machine
