

What's New?

At High Country Quilts?

What a whirlwind of a season we've had! As many of you may have noticed, the store has a new look about it, and definitely new energy! We have turned the 'management hat' over to Adam and Renee, two very capable people! Now we can concentrate on what we love...teaching and being creative! We want to assure you that the store, our wonderful staff, fabric selection, class offerings, and things, as you know it will remain the same...only better!

We have come up with some wonderful projects, both large and small! Starting with our new line up of classes is **'Teal-ing Good'**! If you are a 'teal lover' or a batik aficionado, this one is for you. Jason Yenter has done it again, and we just couldn't resist! **'Natures Winter'** features beautiful blues and greens that will be in season all winter long, and **'Reflections of Autumn'** embraces the warm, rich colors of fall.

If you like smaller projects, we have **'Christmas in the Park'**, **'Jelly Roll Jiggle'**, and **'Christmas tree'**. And for you machine embroidery lovers, **'Stitchin' it up for the holidays'** is back, as well as another beautiful **Hoffman Panel** to bring to life.

If you have fun at events, we have some great ones coming up! **The Rocky Mountain Shop Hop** is just around the corner...Aug 3-13. This year's theme is **"A stroll down Main Street"**...a look through the windows of Old style Colorado. OESD has a new **SUPER SPREE** coming up Sep 30 & Oct 1. So, if you are wanting to test the waters of machine embroidery, this is your chance. You will leave with some great, fun projects and inspiration. And don't forget to look at our **'Coming Attractions'** page to see the latest and greatest events along the Front Range including **Quilt Affair** in Longmont, and **Rusty Barn** in Aurora.

To you, our current and future customers, we really appreciate your continued support and want to thank you from the bottom of our hearts. You make our shop a fun place to be!

Have a 'pieciful' day,
Jean and Karen
