Meet the Designers

Scott Alan Flanagan

Scott Flanagan Trunk Show

Date: Wed Feb 28.....5:30-8:00

Hi, My Name is Scott Flanagan, my quilting journey started at the age of 7 sewing alongside my grandmother making quilts for Lutheran World Relief, but come from a family of crafters and woodworkers. I started 4th and Main Designs in 2011. Since then my patterns have been frequently found in Quiltmaker, McCall's Quilting, and Fons & Porter magazines as well as Country Traditions where I work. I love the endless possibilities available when designing patterns and get super excited when putting together a project and normally end up with a sample within a day or two. As for my favorite part of quilting, really all of it! From designing, to cutting, to piecing, to quilting, to binding (OK that one may be a lie!). But It is all part of the creative process and by skipping a step it feels as though part of the project is missing.

Beverly grew up in a creative family of artists and seamstresses, so it is no surprise that she loves to create. She began sewing and doing needlework as a teenager and made her own clothes and room decor even then. That love for sewing and crafting has grown to include jewelry making, furniture refinishing, and anything else she can learn, and her blog, Flamingo Toes, was born out of a love of sharing those projects. Her style could probably be described best as a mix between modern and vintage. She loves taking old styles and making them new and fun again. She is married to her high school sweetheart and is a recent transplant to Nashville, Tennessee.
