

# What's New

## At High Country Quilts?

It has been almost one year since we moved into our new location! My how time flies. We hope that you are loving our new space as much as we are!

Did you hear about our Kennel Quilt Project? High Country Quilts (with the wonderful help of Vickie, Andie, and Suzanne) hosted an event that honored our local humane society and the animals they protect. It was a huge hit with Girl Scouts, Brownies, and Honor students joining the sewathon! We were able to donate almost 300 kennel quilts for our furry friends! Be sure to watch the News video on our Facebook page!

Our sewathon attendees had so much fun, that for the first time ever...we are offering a class for **Young Stitchers**! We have hand-picked 4 special projects that are just right for these 'future quilters'! If you have a "young stitcher" in your life, this may just be the class for them!

We have some fun new classes and short Blocks of the month starting up...just in time to help you celebrate the upcoming holiday season!

**Peaceful Holiday** is a new BOM Sampler by Jason Yenter which we couldn't help but fall in love with. Also in the line-up are some beautiful "**lit Christmas trees**", a fun **embroidered table runner** displaying gingerbread men, ribbon candy, and peppermint sticks, and Crabapple Hill's newest **Mystery quilt** featuring hand embroidery and crayon tinting. You won't want to miss the goings on at the **Salem Witches Guild Meeting**!

English Paper-piecing has finally come to High Country Quilts...by way of Australia! Deb has fallen in love with "little hexies" and she is offering a very special Sue Daley BOM pattern called "**This goes with That!**" These little hexie blocks make the perfect take-along project!

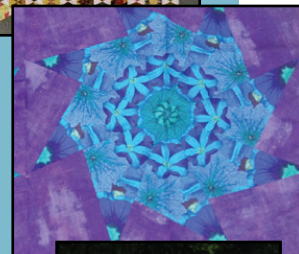

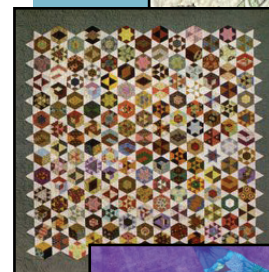

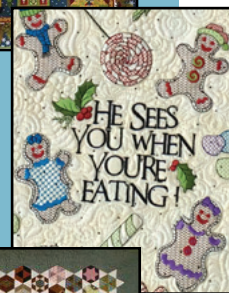

Becky has some great new offerings using Cheryl Phillips rulers to create a fun circular **Bargello** piece, a glowing quilt using ombré fabrics and a new twist on the ever popular **Stack 'n Whack** which is oh so easy!

Along with some great new classes, we have some returning favorites! Gary is back to educate us on our "little black wonders", the Featherweight, and Joan is going to teach us all about Machine Quilting.

If you haven't taken a test drive on one of **BERNINA'S** new Longarm quilting machines, you are in for a treat. Stop in any time and take a spin. You will be truly amazed!

We feel very fortunate that we have qualified to take a guided tour of the BERNINA factory in Steckborn, Switzerland! We owe it all to you for your continued support. We are anxious to share our Swiss experience with you, our favorite customers!

Have a 'pieceful' day,  
Jean and Karen
