

What's New? At High Country Quilts?

Another year has past, but there are some exciting classes and events coming in 2018! This year promises to be a year filled with education here at High Country Quilts. From the *School of Embroidery*, where we will explore all aspects of embroidery, to BERNINA ACADEMY, where we will learn to 'fear no fabric'...you will find it here!

We are offering a variety of different Blocks of the Months and Clubs for your enjoyment. Our 'Woolie' club is back, and we have a wonderful new Machine Embroidery Block of the Month by Smith Street designs.....*Flower Dance*. Or if 'piecing' is what you love, we have a beautiful new quilt from *Nancy Rink* as well as the mid-century modern look of *Atomic Starburst* by Violet Craft!

Rulers aren't just for Longarms anymore, and they are here to stay! So you ask...which one should I get? How do I use them? We have an educator who is an expert with rulers coming to host a workshop, and Cindy is starting a '*Fun with Rulers*' club to answer all our questions.

For you history buffs, we have a class and a club to peak your interest. Journey through the life and struggles of two pioneer women, one trying to escape the bonds of slavery, the other an ordinary woman on her way Westward.

Barbara and Mary from *4th and 6th's Designs*, have done it again with '*Solstice*', a stunning winter quilt featuring their fun and easy raw edge applique technique.

Kurt and Gary are back with their classes: *Love your Bernina* and *Love your Featherweight*. These classes are a great way to learn about your special 'baby' from a technical point of view.

Don't forget to check into High Country Quilts, your hometown link to all things BERNINA.

And last but definitely not least, we want to thank you, our wonderful customers. We really couldn't do any of this without your support and encouragement!

Have a 'pieceful' day,
Jean and Karen

If you want If you want to quilt those tops you have completed, or are thinking of purchasing a machine for quilting, or just want to learn how a longarm works, this is a great class to take. Rita Arnson, local professional, will instruct you in everything from the differences in thread to what to look for in a pantograph! You will learn everything you need to know to run a longarm and be "certified" to rent hours after class completion. The classes are two sessions of two hours each and one session of 3 hours.
