Supply List

It's a Virtual Even on our Private FB group that you can watch anytime in the next few weeks.

Welcome to Kimberbell's Vintage Flora! At this Spark Event, you'll create a classic zipper pouch, with scalloped quilting and eyelet lace. You'll also make an heirloom purse topped by a brass metal clasp! Made in 4x4 and 5x7 embroidery hoops, both event projects are classy for every generation.

Improve your embroidery skills and learn new techniques while trying a variety of machine embroidery products. Techniques includes inserting a zipper, working on the back of the hoop, and more

Receive a Kimberbell project bag and fabric kit with all the Kimberbellishments, plus step-by-step instructions and project CD. Project CD also includes bonus files to try at home.

Supplies Needed

- Embroidery machine* in good working order with electrical cord & Instruction manual.

Basic Knowledge of Machine Operation-- **All participants must know how to operate their embroidery machine.*

- Embroidery hoops for your machine (4 x 4) (5x7) and one larger hoop
