

Contain Yourself Class

Make a soft-sided fabric bin in your favorite fabrics and colors to organize and store all sorts of treasures. The pattern includes instructions for fun containers in three functional sizes with optional labels and handles. We will make the Large size (11-1/4"H x 11-1/2"W x 11-1/2"D) and you will finish this project in class. The materials list includes enough main fabric, lining fabric, and Soft and Stable to make all three bins plus one more small bin. Additional fabric will be required if using directional fabric. Tips for working with directional fabric are included in the pattern.

Pre-class instructions:

Purchase the pattern and complete the instructions listed on Page 1. This pattern does not require quilting as other patterns do, however, if you would like to quilt your fabric I suggest you cut it an inch or two larger than suggested then quilt using your favorite method. After quilting you should cut your fabric to the specified size.

Contain Yourself Materials List

1 yd Main Fabric

1 yd Lining Fabric
