

Harper the Owl Class

Sew an adorable owl with this Harper the Owl sewing pattern. A terrific scrappy project, Harper is easy and quick to sew and makes a terrific softie or pin cushion. The finished owl is 5in x 8in. This sewing pattern includes clear written instructions with illustrations and full-sized templates ready to trace. This pattern is best suited for advanced beginners who already know how to sew a straight stitch on their sewing machines, how to baste, and how to do some simple hand stitching.

Pre-class instructions:

Purchase the pattern and copy the templates onto paper or template plastic to have ready for class.
