

The Essential Tote Class Supply List

Pre-class instructions:

Purchase the pattern. *Prior to class, complete the “Magnetic Snap Closure Version” cutting instructions on pages 1-3.* Using the pattern, you can select from one of two styles for your bag by choosing one below:

Softer Bag style: 3 yds medium-weight woven interfacing such as Pellon SF101

OR

Stiffer Bag style: IF making the STIFFER version use the section titled “Stabilizer (stiffer bag version only)”. 2-1/3 yds medium-weight woven fusible interfacing such as Pellon SF101 **AND** 1 yd ByAnnie Soft and Stable or other foam stabilizer. Under “Medium Weight Interfacing” make sure you omit the fifth bullet point as indicated in the instructions as it is for the softer version.

Additional Materials for The Essential Tote Materials

1/3 yd fabric for upper exterior

¼ yd fabric for lower exterior

½ yd fabric for interior for snap closure version

½ yd fabric for handles and interior pockets

1/3 yd wide firm non-woven interfacing such as Pellon Décor Bond*

(1) magnetic snap set

Standard sewing supplies but not limited to rotary cutter, fabric marking pen and your sewing machine

**You can make handles using the 1" webbing (instead of using the Décor Bond). You will still need fabric to cover the webbing. If you want to use webbing for a stiffer handle, cut your HANDLE FABRIC 2-3/4" wide instead of 3-3/4" wide.*
