### **Class Description:**

Did you ever want to make a bargello quilt, but were too intimidated? In this class you will learn a simple and easy method for constructing a mini bargello with each block. Together we will complete 4-6 blocks. If you fall in love with the pattern (like I did) you will want to keep going and make more blocks to complete a quilt.

### **Additional Notes: Students should come to class with the following:**

Bring 2 strips (2.5” x 42”) of each fabric (Dark, Medium Dark, Medium, Medium Light, & Light) for the class.

If you have taken one of my classes, you have directions on how to find color value.

**If you need assistance with choosing your fabrics, please let me know.**
