

Stitches in the Sand

October 2022

MEETING DATE: October 13th at the Norman P. Murray Center and Zoom.

Programs

October brings BCQG a special program night, where we celebrate our current President Jennifer Morgan and unveil her gorgeous President's Quilt - our "thank you" gift to her for her presidency year. I cannot think of a more wonderful gift than a beautiful quilt made with creative, one-of-a-kind blocks by our members. If you are new to Beach Cities Quilters Guild, this is a long tradition since the beginning of our organization. Please come to the October meeting to hear about the quilt's making and to celebrate Jennifer's hard work this past year - with the wonderful meetings, speakers, Philanthropy activities and amazing Quilt Show, we have lots to celebrate! Plus, you can see all of the amazing sewing that went into the themed blocks and find your own!

Dinner before the meeting will be at CPK restaurant on Marguerite in Mission Viejo, like usual. Please text me by Wednesday (or earlier) and let me know your guest count: 949-285-8448.

Our fantastic Margie Bushaw will be taking the reins in October as the 2022-23 Programs Chair! I just love working with Margie and I know that she will be amazing in this role.

Happy Stitching,

Keri Follmer

BCQG's Board Meeting is held the Third Thursday of the Month via Zoom.

From the President

I can't believe that my year as president is over, or that this is the last President's message I will write. When I said yes to being the Programs Chair, just before the Pandemic began, I obviously had no idea what the next few years would bring. The Pandemic, lockdown, Zoom meetings, and more speaker cancellations and rescheduling than I care to remember. It has been challenging to be sure. But with the help of so many dedicated guild members, I think we are stronger than ever before. I know I leave the Guild in very capable hands. Keri Follmer will be a fantastic President. She is creative, thoughtful and detail oriented. And just fun to be around.

I think we accomplished a lot this past year, even as we continued to be impacted by the pandemic. We had our first Holiday Sew together meeting, which I loved and which we are going to do again. Our members demo meeting was a lot of fun too, and sew informative! Do you have something you'd like to teach or present? Because I think it might become a tradition too. We had a quilt show that was wildly successful, as well as wonderful speakers and workshops. Our Philanthropy group is going strong, and on track to meet last years totals of giving over 1400 quilts away. We had a wildly successful quilt drive for Ukraine, collecting hundreds of quilts that were sent to warm and brighten the lives of a war torn people.

A huge thank you to everyone who contributed in big and small ways to make this such a successful year, especially my Board, who were a joy to work with. I'm so proud of all of us, who helped the guild survive and thrive!

On a personal note, the last few years were very challenging as I lost my mother Diane in August, 2020. She is the reason I am a quilter. She was a very early member of the guild, back when the guild met at the Mission in San Juan Capistrano. I attended my first meeting there with her, as a guest, in the late 1990's (the speaker was Joan Colvin, maybe you were there?). I so wish she could have seen these last two years. I think she would have been proud. She made beautiful quilts, but also knew that the threads that tie us together as quilters are just as strong and important as the thread we sew with.

Jennifer Morgan

2021 -22 President

Hospitality

If it's your birthday month, plan on sharing your celebration favorite treat.

From the New President

Happy Fall! This is my first article as President of BCQG and it feels very surreal to type those words. I have been a guest, then a member for over 20 years, sitting in the audience, then helping on the Board and events as my “mom schedule” allowed. Now it is time for me to pitch in and be at the mic every month. I must admit, I am not a fan of the mic but you are all my friends, so please smile back at me as I will be taking a big, deep breath!

For those who do not know me, I was raised in Anaheim and sewed as a kid with scraps on a Holly Hobby sewing machine in the 70s. Both of my grandmothers were homemakers and super talented and I spent lots of time in Catalina with my maternal grandmother. Her mom was a hand-quilter and I have a few of her quilts (squee!) Married life brought lots of home dec projects, then I started quilting in '97 when our daughters were born – and I did everything wrong in my first quilts. Overall I believe that they should be used and loved for tents, forts, doll picnics, sleepovers/movies outdoors, beach days and whatever life brings. There is lots of fabric in the world to make more of them, so let's use it up! I scuba dive with my husband and friends, love yoga, walking, hiking, gardening, food, wine and being outdoors in general – I quilt on my porch and patio all the time. My Instagram is KeriOnThePorch if you want to see my stitching life. Some favorite things are embroidery, EPP, crochet, starting new projects with friends, music & movies, dancing in my kitchen, and quilty gift exchanges.

My hope is that this year brings fun stitching time for you with new and old friends in the Guild. I suggest you join a friendship group, as it really gives you something fun to look forward to, and we all could use more of that! There are groups that dine out, hand sew, just for wool lovers, EPP fans, you name it. Also, please sign-up to volunteer at a committee table you enjoy (most committees could use a helper) or for an event.

We are gearing up for the Spring Tea and Sewing Room Tour in 2023 and looking for the next Quilt Show Chair or Chairs. These are fun opportunities to lend a hand and make new friends, so please consider giving a little time. You don't have to chair, just have a heart to help make the event fun.

Most of all, I'm thanking in advance my awesome husband Russ, daughters Kaitlyn and Nicole for their support of their fun-crazy momma, who will have lots of nights with meetings, quilts hogging the dining table, thread on the back of my pants (typical) and lots of “sewing in the car” for projects.
Happy Stitching and See you Guild,

Keri Follmer

Note from the Treasurer

Hi folks, I present to you the approved August 2022 Profit & Loss report (P&L). We have one more report to finish out our 2021-2022 fiscal year, that will be in the next newsletter.

Thank you to those who took the time to review and vote on our our 2022-2023 budget, we made a few changes. The most important one, of course, is that our workshop fee is now \$30! I hope you will take advantage and attend more workshops. The second is that we are increasing funding for both workshops and philanthropy. This means we need to raise money.

How can you help? Help us with our fundraising events, we are planning a Tea and Tour in 2023, and we must start planning for our Quilt Show in 2024 as soon as possible. We are all in this together, let's keep our Guild in good financial health.

Liz

Past President Note

President's Quilt

All our hard work has really paid off and we will have an amazing Quilt to present to our outgoing President!

Please be there to celebrate and congratulate Jennifer for a job well done! And a very big thank you for all of you that contributed in big ways and small to the making of her Quilt, it is really special and I hope you all can make this very important presentation.

Wendy

Rummage Sale

Due to the amazing generosity of members who have donated fabric and the support of guild members in purchasing fabric, over one thousand dollars was raised in September.

There continues to be wonderful shopping opportunities. There will be a new selection of fabric including more than 50 new kits for sale.

Halloween procrastinators: there will more Halloween themed fabric.

For forward planning quilters, there will be yards of holiday fabrics.

To continue to be successful, rummage is looking for a volunteer to assist with taking cash at the meeting. Rummage also is looking for someone who would be willing to train with Rachel in order to take over rummage next year.

On OCTOBER 13th at 5 pm volunteers are needed to assist with unloading and transporting fabric. It is a job that will take less than 15 minutes. If you are able to do this, call Rachel Fernelius.

Workshops

Robin Long's quilts were definitely amazing. And she was an excellent teacher. Very patient and very careful to make sure everyone moved forward at the same rate. So fun to see all the blocks come together at the end of the day. Such color and variety!

October

There is no workshop in October.

November

We have Mel Beach coming to speak and give a workshop. She has an outstanding reputation as a teacher and she is very good at inspiring creativity. Her class will be informative, different and very interesting. The class does have openings so you can sign up online or with Kathy Hutchins.

Sandy Corbin, Kathy Hutchins, and Mary Arntz

GENERAL WORKSHOP INFORMATION

Our workshops are held at Community Presbyterian Church, 32202 Del Obispo Street, San Juan Capistrano, CA 92675. Time: 10:00 AM – 4:00 PM.

Please arrive at least 15 minutes early to set up your work space. After the workshop chair helps the speaker and sets up the classroom, she will be happy to help you if you need assistance. Show and Tell

OCTOBER!!! Holidays are right around the corner; BCQG will have a new Board, and lots of exciting projects are ahead for all of us quilters!! We had so many wonderful Show and Tell items in September and we want to thank everyone for bringing them. It was so fun!

We want to encourage everyone to bring their items to show and tell. Even if you are a brand-new quilter, we want to see your projects! If you took the workshop; in September, Robin Long---Mariner Compass class, please bring your projects to Guild. The project does not have to be finished as we just want to see it!!

Along with the workshop project please bring your Fall/Halloween quilts to Show and Tell in October. I know everyone will want to see them!! Now, let's say you made a Halloween quilt two years ago....bring it!! Show and Tell is not just for a quilt that you just made. You can bring one to show that you made several years ago. We really want to see what you have made as it gives us all inspiration.

We will see you at Guild!

Your Show and Tell Committee,

Eileen, Anne and Marsha
