Please come to the October meeting to celebrate Keri's hard work this past year – with the wonderful meetings, speakers, philanthropy activities and amazing Fall Tea & Tour.

Plus you can see all of the amazing sewing that went into the "themed blocks and find your own. We have lots to celebrate!

From the Outgoing President

October is one of my favorite months with the weather getting cooler and our seasons starting to change. I grew up in So. Cal and really love visiting other states to experience their seasons, since we have so much sunshine year round.

Our family is heading to upstate New York in early October for a family wedding and some much-needed time together. Cannot wait to drive through miles of beautiful trees (and hand sew in the car while we chat.)

This October brings the end of my year as president of this fantastic Guild and I can say that it has been a terrific experience and I would highly recommend it. I have made many new friends, including our speakers this year, and I am blessed for that experience. Many new members have also introduced themselves to me at meetings, which I am very grateful for! Quilty friends are the best and our friendships made through the Guild are special.

As I end my year, I want to say "thank you" to each person who helped the Guild in any way, from our fantastic Board Members and Committee Chairs, to those that jumped in to help at a general meeting, or for welcoming new members, to working on a committee for the Quilt Show or Tea and Tour and everything in between. You are TRULY appreciated and have contributed to growing our Guild onto one of the best around.

Margie Bushaw is our incoming president and she has already brought a ton of energy and creativity to the Guild with her new ideas and exciting speaker line-up. I am looking forward to supporting her and working on her President's quilt with everyone.

Happy Fall and thank you from the bottom of my heart!

Best wishes,

Keri Follmer
2022-23 BCQG President

From the New President

I am honored and beyond excited to be President of Beach Cities Quilt Guild. We have a wonderful Board of enthusiastic members volunteering to ensure that it is going to be a great year! I am looking forward to a Fun and Fabulous Year!

For those of you who do not know me let me share a bit about myself. My journey into quilting began in 1999, when my identical twin sister wanted to make a quilt for our mother, and told me I needed to take a 6 week quilt class in order to participate in this project. I was a garment sewer and could not figure out for the life of me why on earth you needed a class to cut fabric up into squares and sew it back together again. Sounded completely insane to me! Finally after a few months, I enrolled in quilting classes at Material Possession and the rest is history! I enjoy dyeing silk and cotton fabrics, long arm quilting, creating contemporary art quilts, and collecting vintage quilts. I have been a member of BCQG since 2001 and have loved every minute of it!

My hope is that this year brings a year filled with learning, exploring, and sharing all things "Quilty" with many friends ! I suggest you join a friendship group, or volunteer on a committee and get ready to have a Fabulous and Fun time at each guild meeting. Quilters are just the best people ever!

Happy Quilting!
Margie Bushaw
2023-2024 President

From the Past President

President's Quilt

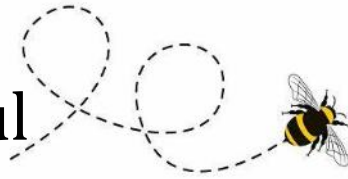

Thank you to everyone who took the time to attend a quilting bee and quilt some stitches on Keri's quilt. It all looks so good! From the reports I was given, it sounds like you had fun too! Many thanks to the hostesses who offered up their homes for a week as well, Karen Brewin, Julie Patterson Eileen Campbell and Jan Hirth. It's a huge commitment and I'm so thankful to these wonderful and generous women.

I'm pleased to report the quilting was finished early! Yay! Now to make the quilt even more special with the appliqué and finishing touches...

Jennifer Morgan, Past President

Fall Tea and Tour

Bee Thankful

Well our first Tea and Tour in years was both fun and successful! We loved seeing all the sewing rooms and the Murray Center filled with the challenge entries and raffle baskets! We hope you had fun too, and enjoyed the kickoff to pumpkin spice season. A huge thank you to everyone who had a hand in the Tea and Tour. A more thorough wrap up will follow in the November newsletter.

Maggie Thompson and Jennifer, Co-Chairs of the Fall Tea and Tour

2023 SEWING ROOM TOUR-THANK YOU

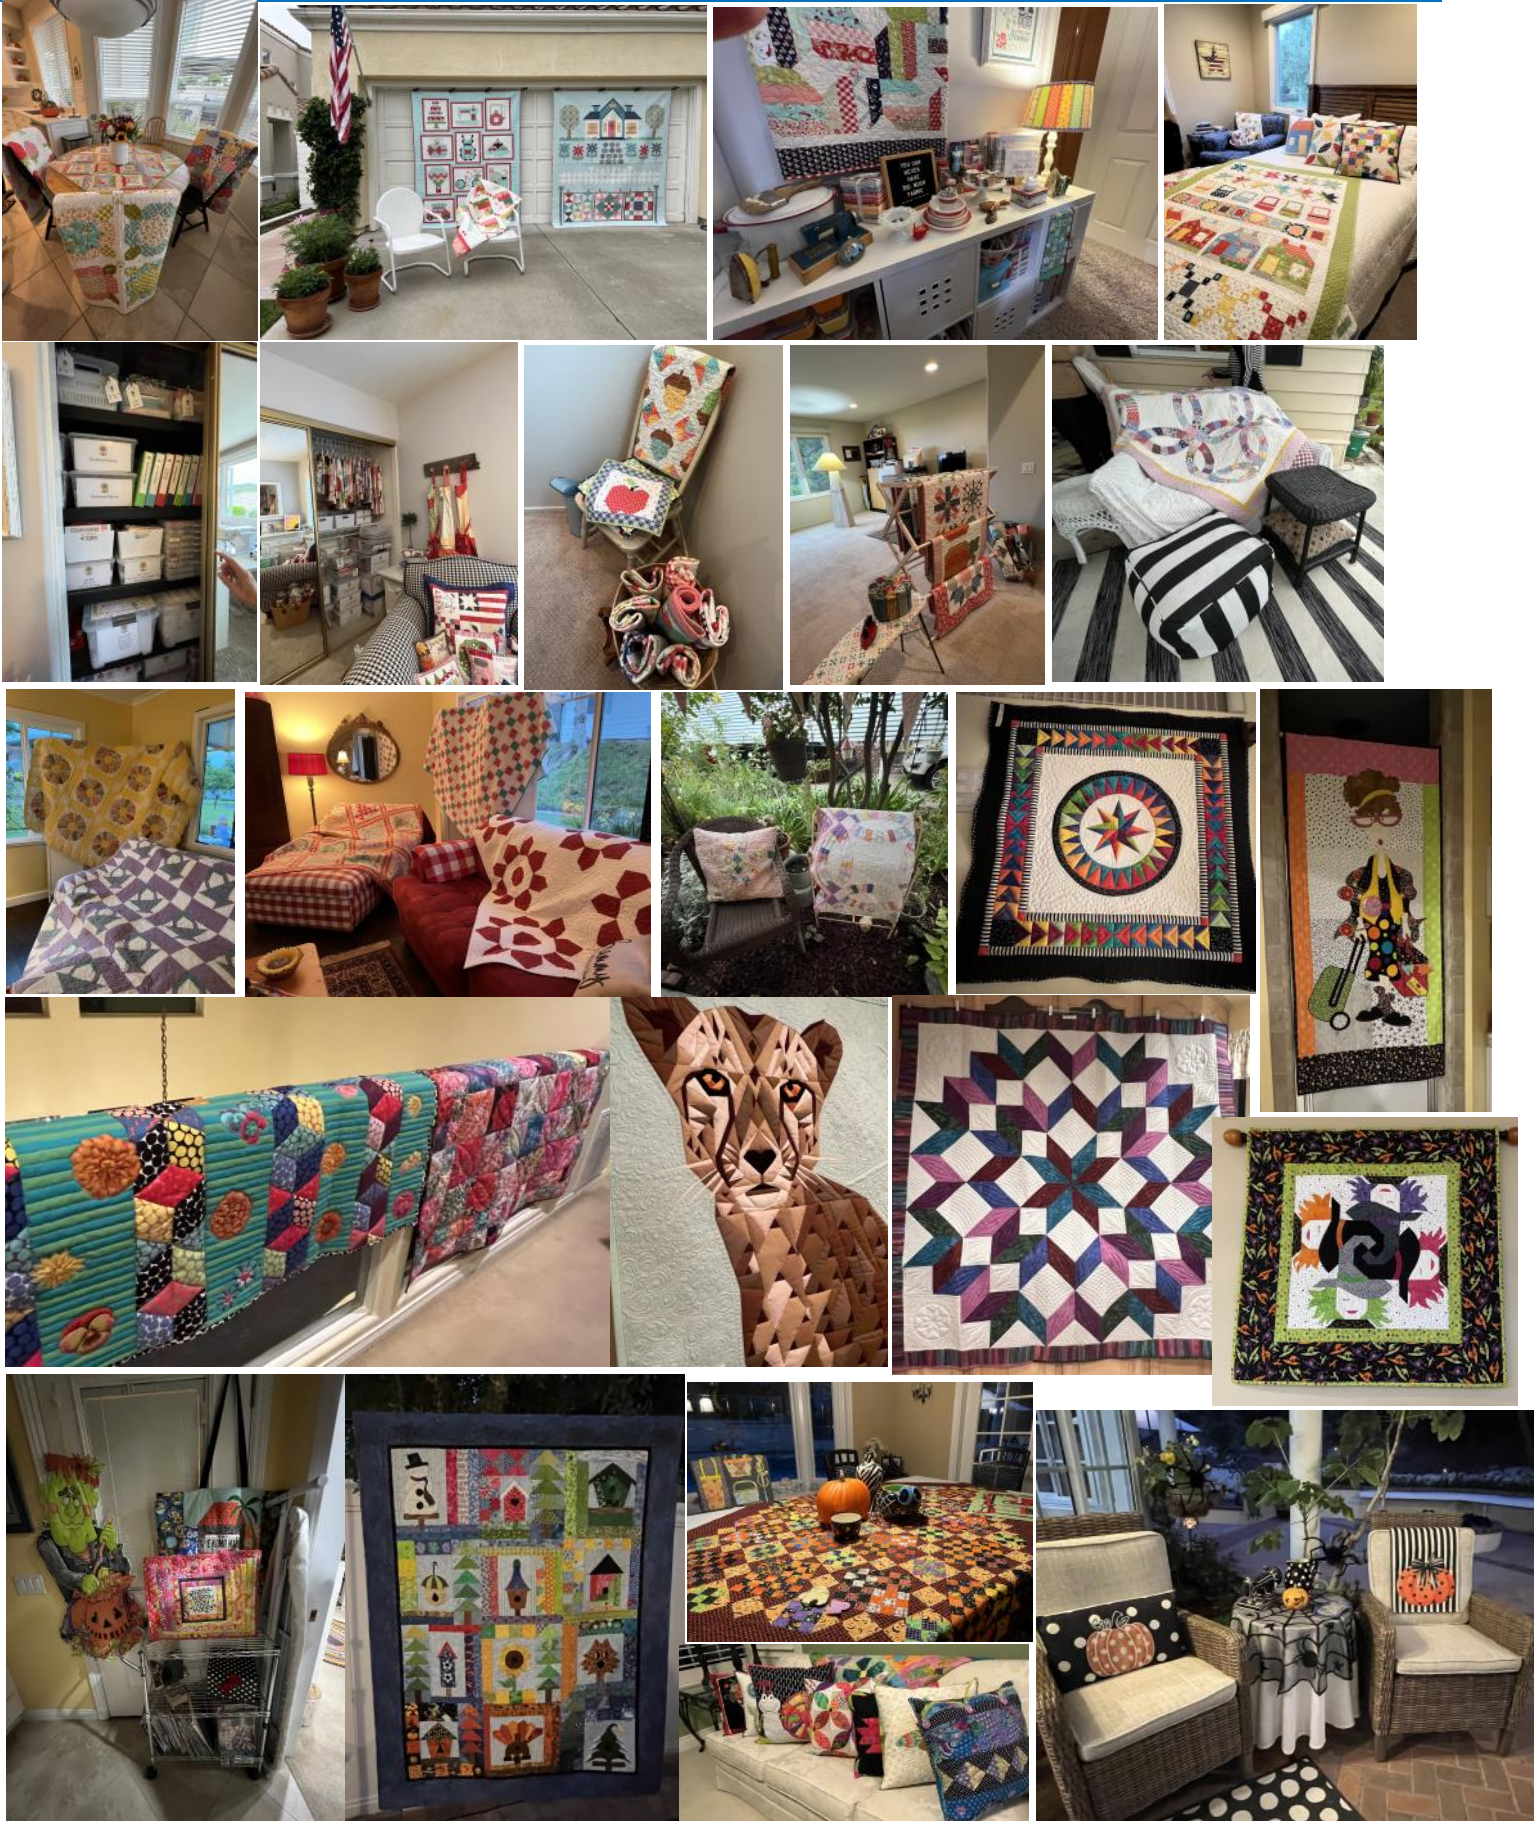

A tremendous thank you to Sandy Corbin, Sharon Farley, Anne Hicks, Nancy Lane and Teresa Thordarson for opening their sewing rooms (and homes) as part of BCQG's Tea and Tour event. This is an event always looked forward to as we get to see how other members turn out wonderful quilts and how they use their space whether large or small. You made the day very special and please know how much we appreciated your volunteering. There will be a final wrap-up message in the November newsletter.

From the Treasurer

Hi everyone, many thanks to everyone who came out to the BCQG September Guild meeting, our 2023-2024 BCQG Budget was approved! We have already made a change to that Budget, more on that below.

Our September 2023 Profit & Loss Report (P&L) will be available on the September 24, 2023 snippet.

Beach Cities Quilters Guild is a member of the Southern California Council of Quilt Guilds (SCCQG), which, among other things, provides our insurance for slips and falls. Our insurance premium - which is based on the number of members in the guild - was significantly raised for the 2023-2024 Fiscal Year, which, for us, begins October 1, 2023. The Board approved increasing the budget by \$500 to accommodate that increase on September 21, 2023.

We hope that our upcoming Tea & Tour will provide a little income, and look forward to a successful Quilt Show in April. That being said, the Board will look for economies to work within the approved budget, and plan for changes as explained in the 2023-2024 Budget Committee report:

“The Committee believes if we - as a guild - diligently advertise our upcoming Quilt Show, and have a discussion about other ways to reduce expenses in the future (i.e., going dark one month in the year, increase membership dues slightly, find local speakers to reduce hotel and travel expense, etc.) we can continue in a more fiscally responsible way.”

As always, please contact me if you have any questions.

Liz Pickering

Monthly Mini

The winner of Deb Komatsu's lovely fall pillow is Victoria Crayne. Deb was not there to be photographed.

Our October Monthly Mini was created by Pat Pardoen.

Patricia started quilting in 1992 while living in Australia. Beach Cities Quilters Guild was only a few years old when she joined in 1995 and has thoroughly enjoyed being a part of seeing its success. Not one to sit around, she got involved in guild activities soon after joining and has served on various committees over the years (facilities, welcoming, programs, President 2004-05, door prizes, show and tell, quilt show and spring tea - just to name a few). She thoroughly enjoys making monthly minis especially in the fall. She makes one every year.

She encourages everyone to get involved in guild activities whether chairing a committee or helping in some other capacity. The friendships made over the years are cherished. Get involved and reap the rewards.

Opportunity Quilt Travel

BEACH CITIES QUILTERS GUILD NEEDS YOU!!

By now you have all seen our beautiful Opportunity Quilt. It is now time to take this quilt to other guilds to sell raffle tickets. The money we make on this quilt goes to support the guild in many ways such as securing speakers, paying for our wonderful meeting venue, just to name a few. So far, the quilt has been taken to a few guilds and all have raved about it. Everyone loves Kaffe Fassett patterns and fabric.

Now **WE NEED YOUR HELP**. The quilt has been booked to be shown at quite a few guilds and have some volunteers signed up to take the quilt. However, there are some dates that still need volunteers. They are:

Monday Oct 16	North County Guild – Escondido (evening)
Monday, Nov 13	Friendship Square – Escondido (evening)
Tuesday Jan 9	Valley of the Mist – Temecula (evening)
Monday Jan 15	Canyon Quilters – San Diego (evening)
Friday Jan 26	Citrus Belt – Riverside (morning)
Tuesday Feb 20	South Bay – Torrance (evening)

Taking the quilt to other guilds is always fun. You can meet new quilters, see what fun things their guild is doing, get to hear great speakers. Go with friends and make an outing of it – quilt shops you might never get to shop at, have dinner and enjoy. Our quilt show is in April so there will be more guilds that I will be contacting. Carol and Kelly have taken the quilt and really have enjoyed the experience. They want you all to have the same fun.

Please contact us if you would like to volunteer to do this. We are waiting to hear from you!!

Road 2 CA

Volunteer to white glove at the Road to California Quilt Show in January 2024. See details below.

As we do each year, we schedule our Opportunity quilts to have a day at ROAD 2 CA to sell raffle tickets. Our day for 2024 is Wednesday, January 17 the first day of the show. To be able to sell tickets, we are responsible for 20 volunteer hours of white glove service. That means 10 volunteers doing 2 hour shifts. Volunteers may work any day to satisfy our commitment for white gloving. Volunteers are assigned time periods. Volunteers may not split shifts. Three guild members can sign up for each time period. EACH 2 HOUR VOLUNTEER WILL RECEIVE A FREE ENTRY BRACELET.

The following are the times as scheduled by ROAD for white glove:

Tuesday, January 16 – (this is the preview night) – 6:00 – 8:30

From Wednesday January 17 – Saturday January 20 the times are:

9:00 – 11:00

11:00 – 1:00

1:00 – 3:00

3:00 – 5:30

(Please note: already have 2 signed up for the 9:00 AM slot on 1/17; could possibly have 1 more as only 3 are allowed per time slot)

This is very important to get member sign ups. Take a time slot with friends, then enjoy the show.

WE ALSO NEED A FEW WHO WILL SIT WITH THE QUILT ON JANUARY 17 TO SELL RAFFLE TICKETS. If you are at the show on 1/17, we would appreciate you sparing some time to sit with the quilt. This does not have to be a 2 hour shift. Just whenever you can to help out. You may be tired of walking, so sit with us and sell tickets!!

If there are any questions, please do not hesitate to contact me. Thank you.

Friendship Circles

I would like to offer a 'short term' friendship circle specifically for making Crazy Quilt blocks.

My thoughts are that both hand and machine sewers are welcome, as well as hand and machine embellishers. I have made a few blocks both by hand and machine but I never got around to actually finishing the embellishments.

I know that the first thing a crazy quilter needs is strips, or scraps, of many different pretty and unusual fabrics. We can use everything, satin, taffeta, brocade, and velvet, wool suit scraps and more. I thought the first meeting we could get together, bringing whatever unusual fabrics each of us might have to cut and share, so we all have plenty of fabrics to choose from for our own blocks. It doesn't take much of any one fabric to make a crazy quilt block.

I mentioned this at a board meeting and Jean Impey suggested we have a display of finished blocks at the quilt show next year!

Janice Shaw has offered the meeting room at her condo complex so I think we will be able to accommodate sewing machines.

If you are interested, please text me your name and mention 'Crazy Quilt' and I will call you back as soon as possible to discuss a meeting time etc. There will also be sign-up sheets at the Friendship Circle table at the guild meeting specifically for this group.

Karen Bean

Sunshine & Shadows

Cherie McDowell, one of the Founding members of Beach Cities, has passed away from complication of kidney disease. She served as treasurer, held various positions on the Quilt Show Committee, and was a gentle guiding spirit for the Guild before moving on to Temecula. Her last quilt was a baby quilt for the newest member of her family. She will be very missed.

Barb Gauntner is continuing to recover from her knee surgery and doing great. We wish her well.

The only source for gathering information is through you. If you have something you would like to include in this column please contact me. Please include your name and contact information, and if about someone else, their name and contact information for verification.

Thank you, Debra Halverstadt

Machine Quilting: Walking Foot & Free Motion with Christa Watson

Friday, February 9th 10AM-4PM

Norman P Murray Community Center, Juniper Room

Take your quilts to the next level by adding depth and dimension to your designs. The secret is learning to let go of perfection by creating asymmetrical textures that require little to no marking of the quilt. Unleash the potential of your domestic machine by utilizing both free motion quilting and walking foot (or dual feed) techniques. Practice on pre-basted fabric and batting samples or use up leftover quilt blocks. The course requires a copy of Christa's book [99 Machine Quilting Designs](#), available for purchase ahead of time at shop.ChristaQuilts.com

Philanthropy News

Thank you to all who have contributed to philanthropy, it's been another incredible year of giving. To date BCQG has donated 1316 quilts, 876 pillowcases, 170 NICU blankets, 65 fleece blankets and a total of 1557 comfort items to our community! So proud of BCQG and its generous members!

Our drive for quilts for Maui, lead by Pat Price, has been SO successful! 95 quilts collected so far! A HUGE thank you to Hoffman Fabrics who stepped up to ship all 95 quilts to Maui for us in September!! Just amazing!

Donations from members totaling \$713, including one generous member who put a \$100 dollar bill in the collection box on guild night, should cover quilts we will ship in October. Thank you all so much for your generosity!

October starts our new Philanthropy year and new, more manageable quilt collection plan. See below for all the details.

Back To Our Roots

The Philanthropy Team is working hard to make things more manageable. With the support of BCQG's board, will be implementing these changes starting in the month of October:

- We will be accepting **finished quilts only**. No tops, blocks or partially finished quilts.
- We will continue to offer baby and children quilt kits, they will include batting and must be returned quilted and bound.
- We plan to help members connect with longarm quilters who are willing to donate their help on a limited basis.
- We plan to demonstrate domestic machine quilting techniques at Sew Day meetings to enable and encourage members to finish their quilts. Dates to be announced.
- We will continue to have NICU, pillowcase, Teddy bear kits and tops paired with batting, backs and bindings ready for quilting available at Sew Day and guild meetings.

We appreciate your help making this work!

Upcoming Sew Day meetings:

November 6
December 4
January 8, 2024 *one week later due to New Years Day

September 2023! Fall has arrived or is about to show up! Don't we love this time of the year? We think of cozy fireplaces, warm blankets, and beautiful changing of the leaves! We must start thinking about the upcoming holidays too!

Once you have made your cute holiday gifts bring them to Show and Tell. We are always looking for new gift ideas and would love to see some new ones! Of course, we would love a pattern so you might want to include the name of the pattern in your description so the rest of us could make it for our friends and family.

Anne, Eileen, and I have thoroughly enjoyed our last two years of presenting Show and Tell. We hope that you have enjoyed it as much as we have, and we want to thank each of you for your participation and encouragement.

Your Show and Tell Committee,

Anne Tracy, Eileen Campbell, and Marsha Burns

Featured Advertiser

This year we are offering our advertisers a chance to tell you about their business.

This month we are featuring “**Sewing Center of OC**”.

The Sewing Center first opened in SoCal when we took over the last two “Fabric City” stores in September of 2001, one in Anaheim and the other in Temple City. Sadly, the fabric store was centered around a sewing machine department business model which was no longer viable in SoCal, so we closed the two locations. Subsequently, we became the Singer Sewing Center of Orange County and set up shop across the parking lot from M & L Fabrics where we sold Singer and Baby Lock machines and a limited selection of fabric. Some years later we had the opportunity to join forces with the Quilt Cupboard Quilt shop in Garden Grove where we enjoyed a long run of serving the sewing community and building our brand. We dropped the Singer brand and removed their name from ours, and we added the Elna line of sewing machines as changes in the sewing machine industry developed. When the Calico House Quilt Store sadly closed its doors, Sheri (the owner of the Quilt Cupboard) and I felt like their old location was a definite upgrade from our Garden Grove location. And as luck would have it, our lease was up so we moved to the wonderful city of Placentia and became neighbors again. Since then, we have added the Juki and Janome machine lines.

Now for a few fun facts about the sewing center!

- Our motto is; We Will Make YOUR Day Better!
- We are the only shop in Orange County that always has a factory trained Tech on duty.
- We perform all repairs and services in our location, your machine does not leave our location.
- We service all makes and models of machines
- We sell Baby Lock, Elna, Juki, and Janome machines
- When we sell a machine, we always give a one-on-one guide class right then and there!

We also sell Notions:

- Mettler sewing thread, Madiera serger threads, Sulky blendables quilting 30 wt. thread.
- We sell Schmetz and Klasse needles
- We sell Exquisite embroidery thread variegated, 60 wt. and 40 wt. in 1000 meter spools, and the most popular colors in the 5000 meter spools
- We sell the King Star metallic thread
- We sell a full line of embroidery stabilizers
- We sell the full line of Dime software and stock many of the magnetic hoops, tools, and fun gadgets
- We sell a large selection of accessory feet
