June 2018

MEETING DATE: Thursday, June 14, 2018 Social Hour 6:30 p.m. Meeting Starts at 7:00 p.m.

June Guest Speaker Sandy Corbin

Like many quilters she started sewing in Jr. High, and by high school she was making her own clothes. She has always had a love for fabrics. She began making quilts in the 70's and started taking classes in the 80's. By the 90's she was obsessed with all things quilting. "Sandy's Designs" was founded in 2002 when she started creating patterns. She's been teaching classes since 2004 at various quilt stores and guilds. In 2016 she became a "Quilt In A Day" Certified Teacher.

PRESIDENT'S MESSAGE

It's June already – the show is upon us. Time to thank Sherri and her crew for all of their efforts to pull this show off. I know it is going to prove to be our most successful show ever. Extra thanks for every member who volunteered to help in any capacity. It really does take a village.

Be sure to encourage all of your friends and family to come out for the show, you know they are going to love it. We'll get a recap of the show at our June general meeting while we have a chance to formally thank Sherri and crew for their work. Then we can start planning our Tea and Tour for next spring!

In the meantime, with all of the show quilts done, you can sit down and sew to your heart's delight without the pressure of a due date – hooray!

-Mary Mulcahey

PRESIDENT'S BLOCK

It's time for us to make blocks for Mary Mulcahey, President.
She has chosen a fun theme with wonderful batiks for the background.

Blocks are due by the June general meeting, June 13. I'm looking forward to seeing the rest of the contributions. The quilt is starting to gel..

Fondly,
Sherri Peltier

BLOCK INSTRUCTIONS for UNDER THE OCEAN

1. Your design must fit within a 5" square in the middle of your block fabric. The committee will square up all blocks after they are turned in, so please do not cut your block down. There must be a minimum of 1 inch all around your design.
2. All methods of applique, embroidery, piecing, etc. are welcome. If you apply a raw edge applique, please zigzag the edges.
3. Embellishments are fine, just don't attach them to your block. Put them into a small baggie with your name on it and staple it to the edge of your block. The committee will attach them after quilting.
4. Your name is very important. Please write your name close to the edge of your design so it doesn't get cut off when the blocks are squared up. I will have some pens to use if you forget to sign your name.
5. Be creative and have fun. Blocks are due at the June guild meeting.

RUMMAGE

A big thank you! to those who managed to bring rummage items to Guild meeting. Remember I will be collecting at the May and June meetings and would love to see fun stuff! We need books, patterns, fabric and tools. It's Spring - a great time to let go of clutter and excess items. The Rummage Sale will be August 9th at 5:30 p.m. in our regular meeting room at the Murray Center.

DOOR PRIZES

Dear Quilty Friends,

Deborra and I cannot wait for the Quilt Show to see everyone's entries, shop the vendors and volunteer. As I write this, we are putting the sleeves on our QS entries. It's a fun time of the year to be in our Guild and we hope that you are bringing a few friends to the show. Keeping this article short because we have lots of sewing to do! Many thanks to our local quilt shops and members (who donated a few new quilting items). A kind reminder, donations from Members should be new quilting items please (items for sale within the last 1-2 years only). We are very grateful for these lovely donations which make the closing of our monthly meeting FUN! See you at Soka!

YOU ARE INVITED. . .

You are invited to join in the fun with this year's Block Party event! Many of you have already joined in the adventure, but there are many of you who haven't. Why not???

This year we are doing sampler blocks - some very old, well-known ones, and some old ones that are not so well known. If you are a beginning quilter, you will find the instructions easy to follow. If you are a more advanced quilter and have done these blocks before, we invite you to grab your stash and make the blocks into a top that you can donate to Philanthropy. They can always use some larger sized quilts and will welcome your donation. OR - here's an idea: make the blocks in red, white and blue, and that will make a perfect quilt for a veteran.

You can pick up the instructions for the blocks each month at the Block Party table in the front of the room near the stage. You can also see what the quilt can look like when entirely finished. That's just shown for inspiration -- and we're sure you can envision it in colors of your own choice. Once you pick up the block instructions for the current block, make it up and bring it with you the following month. Show it to the ladies sitting at the Block Party table, and your name will go into a bag for a drawing that evening. What will you win if your name is picked? It could be a gift card to somewhere like Starbucks or JoAnn's or - who knows? Or it could be a stack of fat quarters. Or it could be another item related to quilting.

At the end of this year's Block Party event, there will be a grand prize (as yet unrevealed) that you will want to win! How do you qualify for the grand prize? In November you must bring your finished top to show, and your name will be entered for the grand prize drawing that night. Believe me when I say you will definitely WANT to be in the drawing for this grand prize!!!

Be sure to stop by the Block Party table on June 14th. It's never too late to start in this year's fun. ALSO - the prior months' blocks can be accessed on the Beach Cities website, if you want to get started right now.

Fabric A: (Darkest Fabric)

Cut a strip $3\frac{1}{2}'' \times 26\frac{1}{2}''$. Sub-cut into 4 – $3\frac{1}{2}'' \times 6\frac{1}{2}''$ rectangles.

Fabric B: (Medium Fabric)

Cut a strip $3\frac{1}{2}'' \times 14\frac{1}{4}''$. Sub-cut into 4 – $3\frac{1}{2}''$ squares.

Fabric C: (Background Fabric)

Cut a strip $3\frac{1}{2}'' \times 26\frac{1}{2}''$. Sub-cut into 4 – $3\frac{1}{2}'' \times 6\frac{1}{2}''$ rectangles.

Cut a strip $3\frac{1}{2}'' \times 14\frac{1}{4}''$. Sub-cut into 4 – $3\frac{1}{2}''$ squares.

NOTE: For Fabric C you can cut 1 strip of $3\frac{1}{2}'' \times \text{WOF}$, then make all your sub-cuts.

Draw a diagonal line on the back of all Fabric B and C $3\frac{1}{2}''$ squares. Place a Fabric B square on the right side of a Fabric A rectangle (right sides together); orienting your drawn line from upper middle to lower right corner.

Stitch on drawn line. Lay a ruler on the stitched line and trim excess fabric to $\frac{1}{4}''$ toward the corner. Press to medium fabric.

Repeat process with a Fabric C square laid on the left side of the rectangle, orienting the drawn line from upper middle to the lower left corner.

Repeat sewing on line, trimming to $\frac{1}{4}''$ and pressing to background fabric. Assemble 3 more rectangles using instructions above. Square up all the Rectangles to $3\frac{1}{2}'' \times 6\frac{1}{2}''$. Sew a Fabric C rectangle to the top of each of the above completed rectangles, pressing toward the background fabric.

Lay out all four completed units as shown in completed block above. Sew Row 1 units together, pressing to background fabric; repeat with Row 2 units. Sew the rows together to complete block. You can press this seam open if you wish.

This block should measure $12\frac{1}{2}'' \times 12\frac{1}{2}''$.

MEMBER VOLUNTEERING

Greetings - There are many committees that keep Beach Cities Quilters Guild the success that it has been since starting in 1992. Over the years, ladies have been involved in many of these committees either after being a member for a few years or upon joining.

As a new member, you may not feel comfortable asking to be on a committee. Kathleen and I would like to help with that. Originally committees had one chairperson. Over the years, it has changed to co-chairladies which makes the position a bit easier. These ladies can always use an extra hand.

A suggestion to helping get involved would be to just sit with a committee at the guild meetings. This will give you first-hand knowledge of how that committee works. You may decide this is great and you would like to become an official committee person. Or, you may decide that you would rather not be part of that committee but perhaps another. Totally fine to change. This is just a way to see the inner workings of the various committees in particular and the guild as a whole.

This doesn't only pertain to new members. Some who have been members over the years have had young children, full-time work schedules, etc. which have made it hard to also volunteer for guild committees. If your situations have changed, this might be an opportune time to get more involved.

If you would like to do this, you can either go directly to the committee chair or check with Kathleen and I and we can introduce you personally to that person. This is just an introduction to the committee; you are not committed. But, if you would like to help, fantastic. Perhaps when it comes time for the new president to ask for committee volunteers, you will have a specific area you in which you would like to help.

Please consider this. Beach Cities NEEDS YOU!!!!

Pat Pardoen and Kathleen Walker

BCQG VOLUNTEER SURVEY

Our Guild has been successful because of the time, energy, and generosity of its volunteers. Please take a few moments to review the descriptions of the various Board positions, printed in the Bylaws section of your BCQG Roster. These are just a few of the many ways you can become involved and get to know other members. Please volunteer or submit recommendations for the following offices and committees. Please return your completed survey by the June 14th Guild meeting to the Parliamentarian. Please call or send an email if you have any questions. Marian Mapes, Parliamentarian, mmapes1231@aol.com or 33695 Marlinspike Dr, Dana Point, CA 92629

July: Tonya Alexander “Exit Stage Left”

Exit Stage Left – modern string quilts workshop

Teacher/Designer: Tonya Alexander

This workshop will explore several possibilities for using 1 ½"-wide scrap strips. The focus project is “Exit Stage Left” but an assortment of additional scrap projects will also be explored as well. In addition to basic project directions, instruction will include: alternative grid work, block scale, scrap fabric selection, effects of value, working with scraps & neutrals, layout tips and tricks, and lots of time to play with fabric!

Suggested materials/tools:

- Your copy of **Stash Lab Manual: String Theory**
- Sewing machine and all regular sewing supplies
- Personal pressing station supplies, if desired and possible in the space.
- Cutting mat, rotary cutter, 6" x 12" ruler, or similar size of your preference for cutting strips
- 6 ½" x 6 ½" square ruler
- Temporary marking pen or pencil
- Fabric as listed in project directions

Preparation/before class:

I recommend that you cut your fabric strips and piece the white and gray strip set units before class so that you have more time for actual block construction and quilt top layout during class time.

A note on fabric selection:

Low volume fabrics are light printed background fabrics that can include white, beige, gray, or even light pastels. In this project, the white background fabrics and gray fabrics create subtle contrast that give the arrows their definition. Take a look at the sample as well as pictures in the lab manual when making your fabric selections. The more the better! The gradient yellow/orange fabrics can be switched out with any color of your choosing, just bring a wide range to choose from. We'll piece the orange row together so no need to pre-sew the strip sets for these before class.

I hope you'll join us. I'm looking forward to spending the day with you and playing with fabric – we're going to have a great time!

Happy Stash quilting, *Tonya*

PHILANTHROPY

Philanthropy Newsletter Report – June, 2018

First, let me tell you about the storage unit status. After the fire at Public Storage, where we have the BCQG unit, we were so worried about smoke and water damage. We knew the unit was intact. The great news is that everything is just fine. No hint of smoke damage at all. What a blessing! We are so sorry for those that lost a great deal, including many treasures.

In the month between the April and May Guild meetings, we donated 69 quilts and 74 miscellaneous baby items. 35 baby quilts went to Operation Showers of Appreciation at Camp Pendleton. Along with them went 35 taggie lovies, 28 handmade chicks and bears, 7 special blankets, 1 handknit baby sweater, 2 diaper changing pads, and 1 embroidered burp cloth. Prototypes received 1 baby quilt and 2 kids quilts. Seacrest Hospice received 5 quilts for veterans in hospice. United Cerebral Palsy received 2 quilts for resident's rooms. UCI Oncology received 10 quilts. Royale Therapeutic Treatment Center received 4 quilts. Mission Internal Medicine Infusion received 7 quilts. 2 quilts went to individuals in need and 1 quilt went to the BCQG quilt show auction.

If you are so inclined, we could use some more help with baby quilts. We have a break over the summer – with no baby showers, but then we have 3 more in the balance of the calendar year. We gave every baby quilt we had on hand for the May shower. We received more at Sewing Day and again at Guild. We have quite a few in the quilting pipeline, but we know the time will fly by and we do love helping our military families.

The next Sewing Day will be on Monday, June 4th, from 10:30 until about 4:00, at the Laguna Niguel Library, 30341 Crown Valley Parkway, Laguna Niguel. Liz Pickering and Jana McDonough will be in charge again. It's always a fun day. You are most welcome to join us, even if only for Show and Tell at 11:00 a.m.

MONTHLY MINI

Vibrant Colors and Succulents what more can you ask for?

This mini gives low maintenance succulents a new definition.

This month's mini was actually cultivated by Cindy Shoop and The Mini Maniacs friendship group of our sister guild, Surfside.

Cindy assembled & quilted it. This is a paper pieced block from Carol

Doak's ~300 Paper Pieced Quilt Blocks

It measures 17.5 inches x 22 inches. The label is signed by the makers and is a lovely tribute to the late Betty Bradley, a sister quilter who was a contributor.

Thanks Mini Makers...Jan & Robin

FRIENDSHIP CIRCLES

Friendship Circles are an integral part of your experience of being a Beach Cities Quilters Guild member. You form strong relationships with the other members of your Friendship Circle, and enjoy the camaraderie of interacting with quilters who like to work on the same type of quilting projects as you do. If you choose to meet on weeknights, during the day or on weekends, there will be a group for you to join. Stop by the Friendship Circle table at the next Guild meeting and let us know your interests (batiks, modern quilts, art quilts, etc.), and we will get you connected with the group most suited for you. Don't miss out on the fun of being a part of a Friendship Circle!

Purpose

Roadies Give Back is returning to Road to California 2019 in a big way! The donations received by the Robert and Beverly Lewis Cancer Care Center were loved and enjoyed by cancer patients of all walks of life.

We are continuing in supporting the Cancer Care Center and hoping to provide even more quilts for the patients to keep warm with during their treatments.

Your assistance is greatly appreciated in any way possible. If you cannot attend our Saturday Night event, you can send completed X's -O's quilts, blocks and/or tops for us to donate.

Roadies Give Back - X's and O's Directions and Information

Directions

Please follow the X's - O's directions to create the blocks. We have modified the pattern. Please use a black background fabric. Foreground fabric can be any colors you would like.

We need various stages of progress, for Saturday evening. We need tops that are pinned and ready to quilt, tops that are quilted and needing binding. We need finished blocks. Pretty much anything you can do will help!

We encourage you to go through your stash. If you cannot participate in making a block, you can donate fabric from your stash for our crew to use in the quilts.

**Roadies Give Back will take place on Saturday January 26, 2019
at the Ontario Convention Center in Ontario, California
