Stitches in the Sand

February 2024

MEETING DATE: February 8th at the Norman P. Murray Center and Zoom at 7:00pm.

Programs

Our speaker for February is **Christa Watson**.

Christa has been sharing her love of quilting for over 20 years, teaching others to enjoy every part of the quilt-making process. Her quilting life changed for the better in 2013 when she discovered her passion for modern quilts and combined it with my style of "perfectly imperfect" machine quilting.

Christa is the author of several machine quilting books which share her tried and tested methods for getting great results while having fun at the same time! Each inspiring project includes complete instructions from start to finish.

Christa is currently designing fabric for Benartex as part of their urban, contemporary brand called Contempo Studio. She loves combining bold color and rich texture to create graphic, geometric designs that you've not seen anywhere else!

Join us for at 4:00 pm for "Dinner with the Speaker" at California Pizza Kitchen at 25513, Marguerite Parkway, Mission Viejo, CA.
Please text your RSVP to Donna Wester 949 584-3210 by February 6th.

BCQG's Board Meeting is held the Third Thursday of the Month via Zoom.

Need to speak to a board member—Email beachcitiesqg@gmail.com

From the President

" Oh Be still my Heart it's February !
I Love, Love, Love, Quilting ,Quilters, and Quilt Shows!"

The January meeting was filled with so much excitement, and Diane Knott, the guest speaker was fabulous! I learned so much about Scrap Quilting! And who knew you can create so much from a whole bunch of fat quarters! Did you know that Patti Prizler Chair of Ways & Means has a fabulous table at each Guild meeting filled with Beautiful Fabric for sale at a ridiculous price? Seriously, it's the best deal in town!

Wow it's February and you know what is on my mind? I'm busy finishing my label for my quilt entry for The BCQG Quilt Show which is going to be held April 26-27 ! The Quilt Show Committee needs all of BCQG members to volunteer to make this Fundraiser a Big Success! You can sign up for all kinds of Fun jobs, at the February Meeting ! I plan on white gloving for part of the day as I love showing off the quilts! This fundraiser provides us with the financial means to hire fabulous speakers, and teachers for workshops and have a beautiful place to meet each month and so much more! One of the easiest ways to support the Quilt Show is to pick up your Opportunity tickets for the "Celebrate Color Quilt " and keep them for yourself or sell them to others! I have bought a lot of tickets and sure hope that I or someone who I gifted a ticket to wins that beautiful quilt !

Finally it's not too late to renew your membership, so please go online and renew today as I don't want you to miss out on this Fun and Exciting year!

Happy Quilting
Margie Bushaw
President 2023-2024

Quilt Show—Celebrate Color

PRIZES, PRIZES, PRIZES!

Soo many prizes for those who purchase their Opportunity Quilt Tickets.

A name will be drawn for both the March and April meetings for those who have bought at least one set of tickets (which is expected of EVERYONE). At the April meeting there will be a drawing for a gorgeous pillow for those who have bought/sold TWO packets of tickets. AND there will be a prize for the person who has bought/sold the most tickets. Time to call or email your family, friends, and neighbors to get in on the action.

If you are unable to attend the February Guild meeting to pick up tickets, send your check made out to BCQG for $35 to Elaine Pappas-Puckett and indicate on memo line how many tickets for the quilt and how many for the Treasure Chest of Fabric. **YOUR** Guild needs **YOUR** support.

QUILT SHOW ENTRIES: We are excited to announce that 135 quilt entry forms have been submitted! Now we can start planning how we will display your beautiful quilts!

This is what YOU need to do next…
- Finish that quilt! Don't forget to add your sleeve.
- Carefully review the "PROCEDURES AND SUBMISSION DATES FOR QUILT SHOW ENTRANTS" provided on the Quilt Show page on our website.

QUILT CARD PHOTOS: If you have submitted a quilt to be exhibited at the show, we need your photo for the quilt card displayed with your quilt. If you missed having your picture taken at the January meeting, you have another chance! Valerie Hutchins will take pictures once again at the February Guild meeting.

If you cannot attend in person, you must email a picture to Val. Ideally, we want people to take a picture standing in front of a quilt. If not, use a neutral background like a wall or plants outside. Have another person take the picture for you if possible but a selfie taken on a phone works too.

ADMISSIONS: We will continue to sell admission wristbands at the Guild meetings through April. Deadline to purchase Preview Night wristbands is April 11th. Saturday wristbands may also be purchased at the show. Contacts are Anne Tracy and Marsha Burns.

Quilt Show—Celebrate Color

February Focus
Scrap Tip

February:
May your heart and bobbin always be full.
This month we will focus on reds, pinks, whites.
There will bring many new items for you and a few free patterns to take home. Come early!

Scrap Tip:
Once in a while, isn't it nice just to sew a quick, fun, no thinking required, quilt?
At Pattymac Makes, she shows how to take larger scraps and create a lovely finished quilt. Check it out here: https://pattymacmakes.com/easiest-quilt-for-beginners/
I would also recommend using large size scraps as leaders and enders. Might just make that next charity quilt fast and scrap friendly!

Come shop at the Guild's February meeting!

March Sew Day March 4th - Rachel Maus will show anyone who wants help finishing their baby quilt on their domestic machine. Just bring your quilt already sandwiched and your machine - DONE!

On Sew Day will have quilt kits, pillowcases and NICU kits, and batting. Show and Tell starts at 11! Join in the fun! There will be irons, ironing boards, cutting boards, tables and chairs. Bring your sewing machine, extensions cords, sewing tools, and a lunch. Come for the whole day or just drop by!
Helpers are always appreciated at Sew Day especially with set up and take down.

We are still collecting lumbar pillows and we have the stuffing!
We are hoping to collect 12 patriotic quilts by December for the Dana West Yacht Club. They host a Christmas Dinner for 50 Marines who don't have family close by. In the past only a few of the male and female Marines received a quilt in a raffle. We are hoping to have 1 for each Marine this year. There are three other guilds participating.

Happy Stitching,

See workshop details in weekly snippets, on the website, and below for more information.

You may cancel and receive a refund if you let the workshop chair. (Mary Kay Fitzpatrick) know by email at least 45 days before the workshop. After that time, you will receive a refund if there is a person to fill your spot. We will issue a refund after we receive payment from your replacement.

January Workshop – Under the Mistletoe with Diane Knott
Friday, January 12th 10AM-4PM
Norman P Murray Community Center, Juniper Room

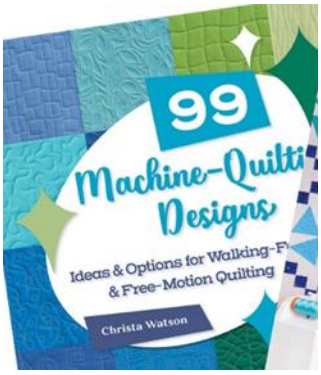
Diane's approach to strip quilting promises that you will learn tips for cutting, storing, and piecing fabric strips in a variety of widths. By the end of the process, you will have turned precut strips, sliced yardage and selvages into innovative strip-quilt projects. The pattern will be needed for the class. You may purchase it for $10 on her website.

More information about Diane is available on her website http://www.butterflythreadsquilting.com/

February Workshop – *Machine Quilting: Walking Foot and Free Motion* with Christa Watson

Friday, February 9th from 10 am-4 pm in the Juniper Room and Norman P Murray Community Center

Take your quilt to the next level by adding depth and dimension to your designs, using your domestic sewing machine. The secret to success here is the willingness to let go of perfection, creating asymmetrical and free-form designs that create pleasing textures to your quilt. This technique requires minimal marking of the quilt. You will practice free-motion quilting and walking foot (or dual feed) techniques. Prepare for class by sandwiching and pre-basting leftover blocks or scrappy blocks made from your scraps. The class requires purchase of Christa's book, ***99 Machine Quilting Designs***, ($29) available for purchase ahead of time at shop.ChristaQuilts.com



This Workshop is full. If you would like to be added to the waiting list, please text or email Mary Kay Fitzpatrick.

Maria's book, *Improv Patchwork: Dynamic Quilts Made with Line & Shape*, is on her supply list and available through her website or on Amazon. See her website, www.mariashell.com, to learn more about Maria and her projects.

CUTTING INSTRUCTIONS

See pictures on page two for placement. Two templates on pg 3.

ROOF G1 – use template to cut one **G1 on *roof fabric*.**

TOP CORNERS C1, C2 – use template on ***background fabric*** with right sides together to make two scalene (uneven) triangles

MIDDLE – main house fabric choice

A2, A3 Cut two rectangles 6 ½" x 3"

A1 Cut one rectangle 6 ½" x 3 ½" (This is a little bigger and will go between the other two rectangles)

FRAMING – These pieces will be different material and will surround the three middle rectangles.

B1, B2 Cut two short strips 6 ½" x 1 ½". These will go in-between the larger rectangles.

D1, D2 Use same material for two strips 10 ½" x 1 ½" for house sides.

Background fabric – cut two strips **E1, E2** 10 ½" x 2 ½" for finishing sides

If you are matching your base to the roof, use that fabric (or whatever you choose) to cut strip **F1** 10 ½" x 1 ½".

PIECING STEPS

1. Attach upper corners C1, C2 to roof G1. Iron seams open. Set aside.
2. Attach B1, B2 short strips to the top and bottom of middle (larger) A1 rectangle.
3. Attach A2, A3 rectangles to B1, B2 edges - 1 on top, 1 on bottom. Iron seams.
4. Attach long side strips D1, D2 – 1 to each side of completed middle section.

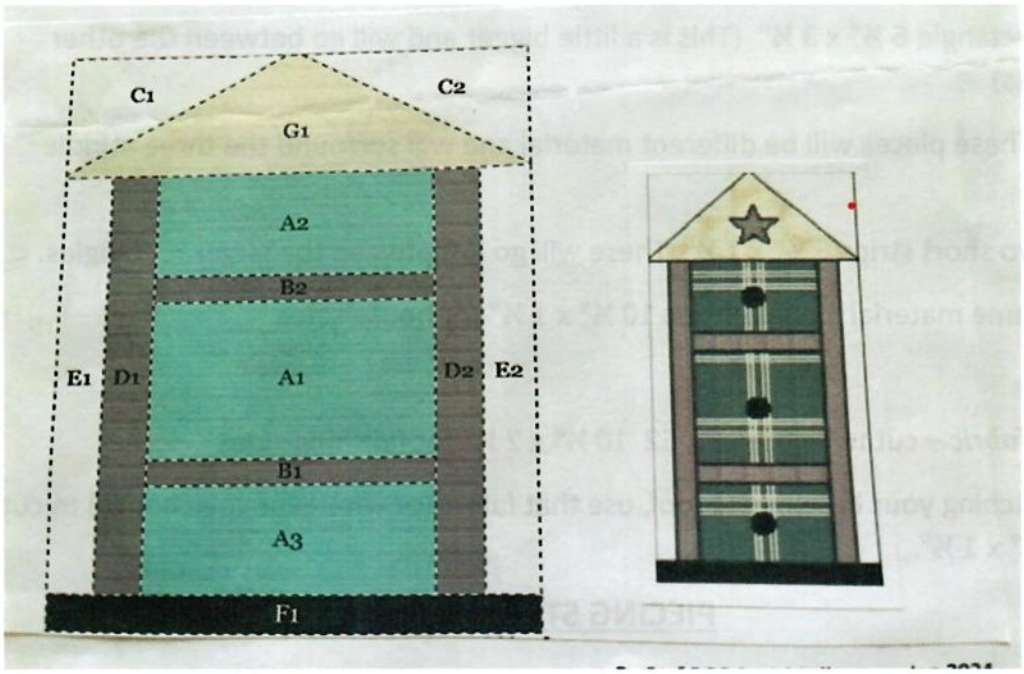
5. Attach long background strips E1, E2 to each side.
6. Attach completed roof section and birdhouse bottom strip F1.
7. Iron and trim to 10 ½" x 14 ½" which will leave a quarter inch edge on each side for connecting to other blocks or sashing.

#3 is done. Bring your block to the next meeting to show us and to choose buttons, etc.

You can add buttons or pieces of round fabric to the middle sections for the holes. There will be a container at the Block Party table full of buttons. See what may be perfect to add a little something to your houses. We also plan to have a jar of embellishments to help your creativity. Anyone who has extra items at home are welcome to add to the button container and embellishment jar.

Happy sewing. Any questions, please call, text or email me.

Pat Ballard 949-636-0151 CraftyPatB@gmail.com



The long edge of the roof below G1 should measure 10 ½" point to point.

The long edge of the corners C1 and C2 should measure close to 6 ½".

Show and Tell

Are you like me and can hardly believe we're already in the month of love! At the February meeting, let's encourage our talented guild members to bring quilts that speak of our love of quilting and the stories woven into each stitch. Whether it's a quilt inspired by a cherished memory, a symbol of love, or any design that inspired you, to create, I know our meeting will be filled with an array of quilts that embody not only the spirit of Valentine's but also the joy and inspiration we feel as we view each quilt shared. Thank you for your participation!

As always, feel free to type up your thoughts and bring them with your quilt, or use the forms we have at the table.
