Stitches in the Sand

April 2024

MEETING DATE: April 11th at the Norman P. Murray Center and Zoom at 7:00pm.

Programs

Our Speaker for March is **Jennifer Sampou.**

Jennifer has designed over 5000 prints and sold millions of yards since 1989.

Fashion Institute of Technology in New York City is where Jennifer studied design and majored in textiles at University of Vermont. Laura Ashley in Wales, UK was where she started as a designer and in 1989. Jennifer moved to California to become creative director for P&B Textiles. A wonderful relationship bloomed with the fine folks of P&B Textiles as quilting fabrics and new printing processes flourished in the 90's. In 1996 she opened my own Studio Sampou and has been creating best selling fabrics since for a wonderful family owned company: Robert Kaufman. Jennifer and her sister co-authored In the Nursery (C&T Publishing also part of her family business). You'll find her line of patterns with Stash Books along with her book, Ombré Quilts and patterns at your local quilt shop or in my store.

Come join us for dinner at 4:00 with Jennife Sampou at California Pizza Kitchen, 25513 Marguerite Parkway, Mission Viejo, CA
Please text you RSVP to Donna Wester 949 584-3210 by April 9th.

Upcoming Speakers:

April: Jennifer Sampou

May: Cindy Lohbeck

June: Jack Edson

BCQG's Board Meeting is held the Third Thursday of the Month via Zoom.

Need to speak to a board member—Email beachcitiesqg@gmail.com

From the President

Spring has Sprung! And Daylight Saving Time is Here!

I am planning a Big Clean out of my Sewing Room to make space for all the goodies that I am going to win or purchase at the Quilt Show which is in exactly 41 Days! The BCQG Quilt Show is April 26-27, 2024!

Did you enjoy hearing the lecture by the fabulous Maria Shell at the March Meeting? I sure did, and it was made possible because of the money we raise from the Quilt Show which is held every other year. This fundraiser provides us with the financial means to hire fabulous speakers, and teachers for workshops and have a beautiful place to meet each month and so much more!

Good News: There is still time to volunteer for the Quilt Show at the April Meeting! The Quilt Show Committee needs all of BCQG members to volunteer to make this Fundraiser a Big Success!

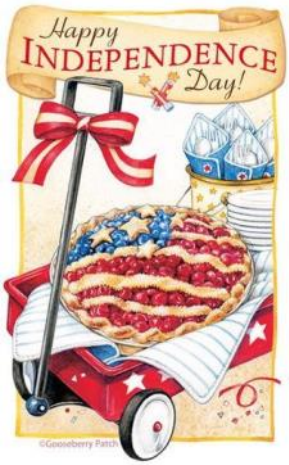
One of the easiest ways to support the Quilt Show is to pick up your Opportunity tickets for the "Celebrate Color Quilt " and keep them for yourself or sell them to others!

Your support (by attending, spending, or donating your time,) will ensure that The Quilt Show Fundraiser is a Huge Success! I plan on doing all 3!

I am beyond excited, to see all of our member's beautiful quilts ! This is going to be such a fun event with a Silent Auction, Live Auction, Boutique, Raffle Baskets, and Beautiful Quilts to inspire your creativity!

Happy Quilting
Margie Bushaw
President 2023-2024

From the Past President



Margie's President Quilt:

Calling all Members! We need YOUR block for the President's Quilt!

Thank you to all members who are currently making blocks for Margie's "Vintage Fourth of July, At The Beach"-themed quilt. If you have not picked-up a block yet and think "Oh, they don't need MY block …" that is definitely wrong thinking. We need a block from every member to make her President's Quilt truly represent all members, be wall hanging size, and have your special touch in the design.

We still have fabric squares for members for pick-up at the April Guild meeting and turned into a beautiful block to say "thank you" for her being our President. All blocks are needed at the May Guild meeting. PLEASE contact me if you need to turn it in later and I will be happy to make arrangements.

Fabric-to-go: Yes, I can mail or drop off fabric to member's home address, so they can return it in May. **Please call or text me: 949-285-8448, or email me:** kfollmer4@gmail.com

Fun and Free: This doesn't cost anything to contribute … just your creativity and sewing time. All members are invited (and encouraged) to make a 5" finished-size block for Margie's President Quilt. Come see me at the President's Quilt table!

Theme: Margie's fun theme is "**Vintage Fourth of July at the Beach**" and there are SO MANY possibilities. See below for a list or call me if you have any questions! I will have fabric squares to hand out February through April (1 per member). PLEASE bring your completed square to The Presidents Quilt Table any month, but they are **due at the May Guild meeting**. Board members will be invited to make a larger block, as we have done in the past, sized 14" x 7".

How to Make a President's Quilt Block :

Pick-up a free, 7" background square of fabric (this is the unfinished block size) at the President's Quilt table at Guild meetings in February, March or April. Fabric are specific colors of Moda Grunge representing the sky, ocean, and sand.

*If you attend the meetings on **Zoom,** please email or text me with your name/address and I will mail you a 7" block to complete and send back to me, or you can drop it off at my house in Laguna Hills. Keri Follmer: Kfollmer4@gmail.com, 949-285-8448. I live near the 5 freeway and La Paz Road, near Flamingo's and Ironwood restaurants.

- All methods of applique, piecing, paper piecing, embroider, etc., are welcome. If you do raw edge applique please zig zag the edges.
- Embellishments are welcome, just do not attach to the block. Put them in a small baggie with your name on it and staple it to the edge of your block.
- Sign your block close to the edge of your design, so that Margie will know who made the block. This means so much to the President. I will have pens at the table for anyone needing it.

From the Past President –continued

- Important: Leave a 1" border around the edge of your block – this is the seam line. We will trim your block – do not trim it ahead of time.

- Turn-in your block at the President's Quilt Table in March, April or May! You can turn them in at any of these meetings or contact me if you need special arrangements. I am happy to help!

Questions: Call me, Keri Follmer 949-285-8448

Sunshine & Shadows

Sunshine

After a long arduous 2 years of working the adoption process, Janice Trumbauer and her husband are the proud Grandparents of David "DJ" Justin Baker Jr.

DJ is 6 years old now and finally officially a part of the family. Janice's daughter and son-in-law are thrilled to have this adoption behind them. Congratulations to them all!!!

Shadows

Many of you may know past Beach Cities member, Carolin Caverly. For some time, she has had failing health. She recently took a bad fall. Fortunately, she did not break anything. She could use some cheering up. Please check with Debra Halverstadt for Carolin's address.

It is with sadness that we announce that Kathleen Walker's husband passed away after a long-time illness. Please keep Kathleen and her family in your thoughts and prayers.

The only source for gathering information is through you. Please do not hesitate to let me know. Please include your name and contact information, and if about someone else, their name and contact information for verification.

Thank you,

Debra Halverstadt

Registration fee is $35 for members; $60 for non-members. (Annual BCQG membership is only $40 and members sign up first for the workshops.) See workshop details in the newsletter, on the website and below for more information.

April Workshop – Ombre Table Runner with Jennifer Sampou
Friday, April12, 2024, 10 AM – 4 PM
Please note the change of venue: This workshop will take place at the
LAGUNA HILLS COMMUNITY CENTER

The Reversible Table Runner is a study in color via ombré. You will learn the subtleties of hue and value by using just three or four SKY ombré fabrics per side. This is a beginner project because of the limited choices you have in order to focus on color play within a manageable palette and basic sewing. Students love how just a few fabrics sewn back together can be so successful.

At this writing, the workshop is full with noone on the waiting list. If you would like to be added to the waiting list, please Email MaryKay Fitzpatrick . Non-members welcome to register via email as of February 1st.
Students taking this workshop will get a 15% discount on the book and fabric for the class, using STUDENT as a coupon.

Magical Mandalas – Snow and Ice Fabric Dyeing
May Workshop with Cindy Lohbeck
Friday, May 10, 2024, 10 AM - 4 PM

Norman P Murray Center – Juniper Room

Cindy has worked in textiles and fabric dyeing for over 30 years. She started Hands-On Hand Dyes in 2007, to share her love of textile arts through an extensive line of fabric dyeing kits. Watch the Sunday Snippet for more information about the specifics for her workshop.

Students will work on a five-yard collection of mandalas. The workshop has quite a few openings. If you and a friend or two would like to resgister, you are welcome and encouraged to do so.
Cost is $35 for members. Email Mary Kay Fitzpatrick or register on line. Non-members may register for this workshop as of March 1. Cost is $60. Cost for membership is $40.

Featured Advertiser—Quilt Passions

Quilt Passions is your destination in Mission Viejo for quality fabric, patterns, and quilting and sewing notions. The shop offers an extensive batik collection as well as a wide variety of popular designer prints, blenders, solids, and holiday themes. Our collection of tropical prints keeps us connected to Quilt Passions' roots in Kailua Kona, Hawaii.

Owners/managers Karen and Robert Barry are originally from Southern California and raised their three sons in Brea, but in 2007 they decided that they were tired of the traffic and congestion of SoCal and relocated to the Big Island of Hawaii. Shortly after moving there, they purchased a small quilt shop. Since 2007 Quilt Passions Kona has expanded four times and 2011 was recognized by Quilt Sampler magazine as one of the top ten quilt shops in the United States.

In 2023 the draw of four adorable grandchildren living here in Orange County inspired Karen and Robert to open a second shop in Mission Viejo. They currently divide their time between the two locations (can't give up either those Hawaiian sunsets or time with the grandkids!). They are really enjoying being involved in the quilting community here in Orange County and look forward to seeing you soon at Quilt Passions in Mission Viejo and/or in Kona!

No Rules Challenge is BACK!!!

NO RULES CHALLENGE IS BAAAACK!!!!!!!!!

…that's right, the No Rules Challenge will begin at our April meeting. While usual quilters' challenges require that a specific theme be followed, specific fabrics be used, are required to be certain sizes, and frequently have "doodads" that are required, the No Rules Challenge does not. But it's not completely free.

YOU ARE ROLLING ONE DICE. You will roll for a specific shape that should be in your quilt and for a specific color. BUT…you can interpret that any way you want. If you roll "circle", you don't have to make circles---use a dotted fabric in your quilt. If you roll "black", you don't have to make a black quilt…you can use fabric that has a speck of black in it.

We want EVERYONE TO PARTICIPATE!!! Get ready to show at the August meeting. Call Elaine Pappas-Puckett with questions.

Monthly Mini

Thank you to Eileen Campbell for creating this beautiful wall hanging just in time for St. Patrick's Day. Congrats our lucky winner — Julia Renaud!

We will be skipping April for our Monthly Mini but will be back in May with another fabulous Mini!

Block Party

Hanging Stealth Birdhouse

The inspiration for this block came from my son and d-i-l pulling a unique birdhouse out of their car to hang while I was visiting 2 weeks ago. I immediately saw the angles and thought *I can make this into a block*. Do you have a unique one? Send me a picture and I will see what I can do for a future block. Let's sew.

1. Cut your **templates**. You will again be cutting two of each one with fabric wrong sides together. The bottom cut will be the 1's – left side of house. The top cut will be the 2's – right side of house. (If you happen to cut with right sides together, 1 and 2 will be opposite.)

2. To make the **left side 1's** – Connect center **A1** to lower house **B1**. Connect bottom of **B1** to lower background **C1**.

3. Connect top corner background **E1** to upper house **D1**.

4. Connect **A1-B1-C1** to **D1-E1**. The left is done.

5. **Right side 2's** - Connect **A2** to **B2**. Connect bottom of **B2** to **C2**.
6. Connect top right background corner **E2** to **D2**.
7. Connect **A2-B2-C2** to **D2-E2**
8. Sew the middle seam being careful to match the middle points.
9. You can add the hanger by hand or machine sewing a piece of fabric at the top or adding a piece of twine available at the meeting. See the picture for placement.

Show and Tell from March

As spring blooms around us, it's the perfect time to gather and celebrate the artistry and tradition of quilting. April brings with it not only the beauty of blossoms but also the opportunity to share our passion for quilting with one another. Thank you to all who shared their quilts in March. This month, we're inviting all the wonderful women in our guild to participate in sharing all of your spring themed quilts, or anything you've completed, at our April meeting.

Bringing your quilt to share isn't just about showcasing your handiwork; it's about fostering connections and building community united by a shared love for quilting. I loved getting to meet new members at the table last month.

Whether you're a seasoned quilter or a newcomer to the craft, your presence will make our Show & Tell truly special.

Let's fill the Show & Tell tables with quilts to inspire all of us.
