Stitches in the Sand

September 2024

MEETING DATE: September 12th at the Norman P. Murray Center and Zoom at 7:00pm.

Programs

Our Speaker for September is Arlene Arnold of Heritage Oaks Quilts.

Heritage Oaks Quilts was born from a love of history, art and fabric. Arlene Arnold wanted to meld these interests.

At the Templeton Outdoor Quilt Show several years ago Arlene purchased her first vintage quilt, a full size1930's Grandma's Flower Garden made with fussy cut miniature blocks.

Arlene's first exposure to showing her antique quilts was a Civil War reenactment held in her hometown of Colusa. She did a bed turning of 30 quilts for 900 school children the first day and the following two days were spent showing the quilts to the pubic along with watching the battles fought not 50 feet from her tent!

Now retired from administrative work, Arlene is able to concentrate on bringing her antique quilts to guilds and public performances. She also teaches workshops using patterns made from her antique quilts.

When not looking for the next perfect antique quilt purchase Arlene can be found farming her walnut orchard and raising her beloved English Springer Spaniels.

Margie Bushaw
President 2023-2024

Parliamentarian Report

The Nominating Committee met on Thursday, August 1st, at the home of Elaine Pappas-Puckett. The following is the slate of officers for 2024 – 2025, that was approved by the Committee, and presented and approved by the Beach Cities Quilters Guild board on August 15. We now present this slate of officers to the general membership for a vote in September.

Proposed Slate of Officers for 2024-2025:

President - Donna Wester
My great grandmother was a quilter and I have always been intrigued by the quilts she made. I took my first quilt class when I was 40 and fell in love. I joined Beach Cities Quilter's Guild in 2005. I have chaired and co-chaired many posts, friendship circles, secret sisters, block party, show and tell, facilities and Programs. I am ready to move on to President.

1st VP Programs - Laura Chambers
I moved to Orange County in 1974, graduated from Dana Hills High and Saddleback then transferred to and wound up staying in Los Angeles for over 40 years. I worked in television production on a variety of shows- game, reality and what is most germane to the guild was the three seasons that I produced "Simply Quilts" with Alex Anderson. And that's where I got to meet so many wonderful quilters and first attempted to quilt. When I showed my first attempt to Alex she started laughing because I had a perfect 1/2 inch seam! I retired from TV in 2021 and moved back to Orange County to be close to my only son and daughter in law and in 2023 they made me a grandma. Life doesn't get any better!

2nd VP Membership - Susan Probst
I have been quilting for almost 9 years. I love learning new techniques and using my long arm machine. I am so excited to be part of BCQG and to give back! I live with my husband and two of my kids. My oldest just moved out! Crazy times! I am looking forward to the new year and serving as Membership Chair.

3rd VP Facilities - Martie Huben-Wagner
I guess I have been "sewing" most of my life; but I am relatively new to the quilting scene. I come from an amazingly talented family of quilters, who have shown me guidance and encouragement in my new endeavor. I have a true love of fabric, and to the chagrin of my husband, I continue to buy more and more and more… The comradery, friendship and family feel of Beach City Quilt Guild is heartwarming and I look forward to meeting more members throughout this year.

Secretary - Janet Crothers
I'm the secretary of BCQG, I'm originally from London, England but despite the accent, I have not lived there since 1989! I have a grown son and daughter and six grandchildren ranging in age from 7 to 23, luckily they all like quilts. I have been quilting since the early 80's. I started out back in England using Laura Ashley Kits. That was before I realized that I could cut squares and sew them together by machine. I like to think I've improved since then. I enjoy 'starting' lots of different types of quilts, and I even finish some of them. I particularly enjoy EPP and Applique as I can do them anywhere. I enjoy taking classes and learning different techniques. I love a scrappy quilt, but I buy fabric as if I had a plan. I am currently learning to longarm quilt, which I absolutely love and I'm totally inspired by Angela Walters from Quilting is my Therapy.

Treasurer - Syntheia Nagel
Syntheia Nagel is our current Treasurer and has agreed to help us again next year. She began her quilting journey with us three years ago when she joined the guild. She works as a Chief Compliance Officer for an international collection agency.

Parliamentarian Report Continued

Past President - Margie Bushaw

My journey into quilting began in 1999, when my twin sister wanted to make a quilt for my mom and told me I needed to take a 6 week quilt class in order to participate in this project! I was a garment sewer and could not figure out why you needed a class to cut fabric up and sew it back together again ! I took a quilt class at Material Possession and the rest is history! I have been a member of BCQG since 2001 and have served as Secretary, and on various committees over the years! I enjoy dyeing silks and cotton fabrics, long arm quilting and creating a variety of abstract improv quilts. I look forward to serving BCQG as Past President.

Philanthropy News

It has been a great year for Philanthropy. Our new location this year makes it comfortable for many more people to join in the fun and friendship, along with learning new things. I am looking forward to another great year, but it takes help from all of you!

Think about how you might like to help with Philanthropy. At the next sew day I will have a list of things you might like to help with.

Mark your calendar for out Fabric Sale!!! Saturday, September 21st from 9:00 - noon at the Presbyterian Church Of The Masters. We need tables!! lots of tables!!!! Please let me know if you can bring a table and have it there by 8:00 am. For anyone who brings a table and stays to help will be rewarded! Fabric will be loaded Friday, September 20th, not sure of the time, but if you can help there, let me know.

Baby quilts are needed. We took in 10 Thursday night at the guild meeting and that is all we have at this time. We really need some by the 1st of November.

Since we changed how we accept quilts, we have received fewer quilts, drastically fewer quilts. So, to tweek this, when you take a kit; make the top, piece the backing if necessary with 1/2" seams, pressed open, (making sure you trimmed off the selvedge), make the binding and piece the batting if necessary. All of these things are in the kits you can pick up. If you're making them from your stash, finish your top, need batting, backing and binding, Let's get you to storage to get what you need and have batting cut at sew day. These can be turned in and we will find a quilter for them.

Just a reminder - Philanthropy sew day meets the first Monday of the month (unless it falls on a holiday).

Next meeting Sept. 9th (the 2nd is Labor Day) Oct. 7 Nov. 4

We meet each month at:
Presbyterian Church Of The Masters 26051 Marguerite Pkwy, Mission Viejo, CA 92692
Corner of Oso and Marguerite (park in the lot closest to Oso Parkway)
Set up starts at 9:00 am! The main meeting begins at 10:00 or anytime you get there. We usually start cleaning up around 2:30. Helpers are always appreciated at Sew Day especially with set up and take down.

Show and Tell starts at 11! Join in the fun!

Sew Day will have quilt and pillowcase kits, and batting. There will be irons, ironing boards, cutting boards, tables and chairs. Bring your sewing machine, extensions cords, sewing tools, and a lunch. Come for the whole day or just drop by!

If you ever have questions or need help, don't hesitate to contact me.

Happy Stitching,
Janice Trumbauer
Philanthropy Chair

Friendship Circles

Hi Everybody,
One of our newest and smallest Friendship Circles, Piece Corps, has jumped right into making philanthropy quilts. Here are the notes from their July meeting.

"Piece Corps Meeting July 18, 2024 at Lynn Jones' Club House

Present were Lynn, Crystal, Catherine and Grace. This was a working meeting. The club house was perfect for this. There was plenty of room to work. Thank you so much Lynn for find such a great place and the great refreshments. Thanks go to Crystal for bringing design board. It really made it easy to work on the quilt. Thanks to Lynn for providing cutting boards and irons. Crystal brought a lot of material and the kits from Philanthropy and some other patriotic panels for small quilts. We all took something home to work on.

We took turns placing the blocks of the design board. Crystal and Catherine did most of this. It was great to be able to step back and see what needed to be changed. We left the blocks up while we discussed the rest of the quilt. Lynn cut the white triangles for the edges of the blocks. Grace cut a blue border and the binding to take home and work on. Lynn will be putting the back together. After these details were worked out, Catherine and Crystal taped the block in strips. This was hard and a great idea to keep them in order.

We took a refreshment break and decide who would take what part to work on. Catherine offered to sew all the blocks and triangles. Lynn will be working on the back with material that both she and Crystal had that was the same. We decided to incorporate the leftover block on the back. Grace will work on the border and finish the binding. The binding will need to be turned in with the quilt to philanthropy for the quilting and finish. We estimated the finished top will be 60" x 56" before the border is added.

It didn't take long to do all this and we sat and had more refreshments and discussion topics:"

No sooner did they get this quilt completed and they started work on several baby quilts, also for philanthropy. The members of our guild are amazing people.

What is your guild up to these days? Are you already gearing up for Christmas? Send me an email and I will be happy to let the new members who aren't yet in a friendship circle know how much fun and comradery a friendship circle can add to their quilting experience and their lives.

BIRD FEEDER

CUTTING -

Background corner pieces: Top Corners B1, B2 - Base corners B5, B6

Roof and base – A1, A2

No templates – Middle background sides B3, B4 - Cut two rectangles 2" x 6"

Middle feeder support posts C1, C2 rectangles - Cut two 1" x 6"

Center rectangle D1 is 6" x 6 ½". (I used the back side of my background to create a faded look.)

If you choose to make this a birdhouse instead of a feeder, pick house material for D1.

Bottom B7/ B8 – Cut two squares 4 ¼" x 4 ¼".

Post C3 – Cut one 3" x 4 ¼".

SEWING -

Top – Attach B1/B2 to the corners of roof A1.

Middle – Attach support posts C1, C2 to middle D1 and then to background B3/B4.

Base – Attach B5/B6 corners to base A2.

Bottom – Attach post C3 to background B7, B8

FINISHING –

Attach top to middle to base to bottom. Square to 10 ½" wide X 14 ½" length.

You can sew tiny beads to mimic birdseed at the bottom of D1, or add fabric that looks like seed or tiny brown buttons. I used variegated brown embroidery floss to make seeds.

This is fun and easy. Enjoy.
