1. Sew 1 strip of Heart Fabric 1 to each side of 1 strip of Heart Fabric 2. Press seams to the darker fabric. Repeat sewing 1 strip of Heart Fabric 2 to each side of 1 strip of Heart Fabric 1.
(If you cut your strips $2.5^{\prime \prime} \times 8^{\prime \prime}$, you will need to make two sets of each.)
2. Cut the units created in Step 1 into 6 units $2.5^{\prime \prime}$ by $6.5^{\prime \prime}$ and assemble as per diagrams ->

3. Mark a diagonal line on the wrong side of each background small D $1.5^{\prime \prime}$ square.
Place the squares on the top of two of the heart pieces created in step 3 putting right sides together. Sew on the lines; trim the corners leaving $1 / 4$ " and press seams open.

4. Mark a diagonal line on the wrong side of two background C $3.5^{\prime \prime}$ squares. Place the squares on the top of two of the heart pieces putting right sides together. Sew on the lines; trim the corners leaving $1 / 4$ " and press seams open.
5. Sew the right and left side of the heart together and press the seam open.
