

Improve Your Binding!

Materials

Feel free to contact me with any questions: Mary Puckett, ZippyQuilts@gmail.com

Bring the following to class:

- At least 3 placemat-size practice pieces, layered, basted, and quilted. These are just for practice!
- At least a yard of binding fabric of your choice. If you can't decide, bring several and we'll try to help.
- At least a half yard of a contrast fabric for use in making your binding fancier.
- Cutting supplies: mat, rotary cutter, rulers
- Sewing machine ready to go. Bring your quarter inch piecing foot and also bring an even-feed foot if you have one. We will have some other Bernina feet for you to try, but they'll be on our machines so if you have another brand of machine, no worries.
- Bring some decorative thread if you have it.

Come and have fun!
