Cost: \$50 for five 30 minute lessons. Payment is made directly to your instructor.

Specific instructors can be requested or the patron may list his/her contact information and an available instructor will contact that individual to set things up.

When leaving your contact information for a call back, please include your name, phone number, the name of the child, their age, skill level and possible dates wanted.

All private instruction will be given in the morning between 9am and 12pm or during our lap swim from 5pm-6pm.
