REPORTS

Jeremy Holt, Economic Development Board, reported that they are working on a similar grant that they turned in last month. This one is due in September.

Jeff Hodge, Crook County Sheriff, reported 135 calls for the month. In the agreement with the Crook County Veterinary Service, there is mention of euthanizing animals that are not claimed. Sheriff Hodge wanted the council to know that he and his deputies will not be euthanizing animals.

Fred Devish, Crook County Commissioner, wanted to discuss the trees that are on the Cleveland side of the courthouse. Joe Baron found that the responsibility of the trees is with the City of Sundance. Will talk about it at a later date. Mayor Brooks asked Commissioner Devish if a dialogue could be reopened with the Commissioners concerning a county waste district.

Trevor Keyworth, Land Use and Planning, suggested that they review possible rules for tiny homes, solar panels, wind towers, and green space for the City of Sundance.

Public Works Director, Mac Erickson reported that Geis’ Honeywagon cannot legally apply sewage in the county anymore. Jim Geis requested to be able to dump in the city lagoon, but was denied.

Fire Chief Gari Gill reported that he is keeping members around 20.

Theresa Curren, Clerk Treasurer, reported that the F66 audit is almost done. It is due September 30th. Paul and Sophia from Leo Riley and Company came to Sundance for a couple of days to work on the regular city audit. Helen had knee surgery last Wednesday and will be out for another five weeks. Would any of the council want to be nominated as a municipal officer for the LGLP Board? Mayor Brooks asked that it be brought up at the next meeting in October. Attended the Public Officer Training and thought it was really beneficial and learned a lot. We need to renew bonds and Ordinance #6 only shows bonds should be at \$500. Mark Hughes said he would look into it. Contacted Rusty Speidel and Shad Schloredt. They will start shooting deer again when the weather cools off. The Community Facilities grant opened September 1, 2023 and will close October 15, 2023. The City of Sundance will apply for this \$2,800,000 grant for Phase II of Old Stoney.

Meeting adjourned 7:30 p.m.
