### Sewing Machine One-on-One

This one-hour class is designed to help individuals become familiar with their domestic sewing machines. We offer a free session(s) for customers who have purchased a Janome sewing machine or select Baby Lock models from our store (number is based on the machine purchased). The class is also available for purchase by customers with older machines or those who have purchased a machine elsewhere and need assistance.

(Must be able to transport machine to the store)

**Scan the QR code to check available times and sign up.**

\*The number of free classes varies based on the model of the machine purchased.

**Register online at [www.midwestsewing.net/classes](http://www.midwestsewing.net/classes). Walk-Ins will be turned away if the class is at capacity. ALL classes are first come, first serve.**
