Ruler Club

This club is for those who want to take their expertise with ruler quilting to a new level. Ruler Club does require a subscription to a club box. There are two options available: Sew Steady Elevate Club Box (Ruler Only \$99/qtr, Embroidery Only \$99/qtr, or Get It All \$120/qtr), or Sariditty Creative Collection Club Box (\$120/qtr)

Supplies: Machine, extension table, accessories, club box

Tuesday Take-Aways

Join us for the Tuesday Take-Aways project group, open to everyone! Each session will start with a brief tip, technique, tool, or trick. After that, we can either collaborate on a project chosen by the group or work on our individual projects that need to be completed. We'll be doing various activities, including piecing, quilting, binding, embroidery, ruler work, serging, and more. No sign-up is required, so feel free to come and join us!

CLASSES

Bernina Class #1

Learn to use your sewing machine, including threading, winding bobbins, and maintaining it. We'll cover all buttons and options, sewing techniques like straight and decorative stitching, and sewing a buttonhole. Fabric will be provided.

Please bring: machine, power cord, foot control, knee lift, slide-on table, manual, accessories, bobbins, thread, needles, scissors, and a lunch/snack/drink.

Class limit of 8 students

Bernina Class #2

Join us to learn quilting techniques, including free motion and the Bernina Stitch Regulator (BSR). We'll also cover Combination mode stitching. Fabric will be provided.

Please bring: BSR (if available), sewing machine with power cord and foot control, knee lift, slide on table, manual, accessories, bobbins, thread, needles, scissors, and a lunch/snack/drink.

Class limit of 8 students

Register online at www.midwestsewing.net/classes. Walk-Ins will be turned away if the class is at capacity. **ALL classes are first come, first serve.** Check the calendar for dates and times for clubs and classes.

2026 club & class list & descriptions

Bernina Sit-Down Longarm Owners Class

Covers basic operations and techniques. Our machines will be provided to use so no required supplies. You'll have an opportunity to ask questions.

Class limit of 2 students

Bernina Longarm Owners Class

Covers basic operations, techniques, and Q-Matic basics. Our machines will be provided to use so no required supplies. You'll have an opportunity to ask questions.

Class limit of 4 students

Baby Lock or Bernina Embroidery Class

Join us to explore embroidery settings and options, discuss hoops and stabilizers, while creating an in-the-hoop project.

Please bring (if available): Sewing machine, embroidery module and hoops, embroidery foot (Bernina 26L) and slide-on table, manual and all accessories, bobbins, thread, needles, scissors, a lunch, snack, or drink, and 4-5 fabric pieces (10-inch squares are fine).

Class limit of 6 students

Baby Lock or Bernina Serger Class

Learn how to thread your serger and explore a variety of stitches, including 4 and 3-thread overlock, 2 and 3-thread rolled hem, 2-thread flatlock, and 2-thread blanket stitch. We will practice techniques for both inside and outside curves, thread securing, and adjusting the width and length of stitches. Fabric will be provided.

Please bring (if available): your machine, power cord, foot control, manual, quick reference guide, slide-on table, all accessories, needles, scissors, tweezers, and a lunch/snack/drink. Also, please bring serger thread in red, blue, green, and yellow, or you can purchase it at the store.

Class limit of 6 students

Register online at www.midwestsewing.net/classes. Walk-Ins will be turned away if the class is at capacity. **ALL classes are first come, first serve.**
Check the calendar for dates and times for clubs and classes.

Sewing Machine One-on-One

This one-hour class is designed to help individuals become familiar with their domestic sewing machines. We offer a free session(s) for customers who have purchased a Janome sewing machine or select Baby Lock models from our store (number is based on the machine purchased). The class is also available for purchase by customers with older machines or those who have purchased a machine elsewhere and need assistance.

(Must be able to transport machine to the store)
Scan the QR code to check available times and sign up.
