SIT DOWN MACHINE QUILTING EVENT

Do you have quilt tops ready to quilt? Can't bear the thought of pushing a quilt through your domestic sewing machine. The line at the longarmer is long? Let's try quilting on the BERNINA Q16 or Q20. Experience the difference of sewing with a larger machine on a flat surface with stitch regulation built in. Stop worrying about stitch length and start having fun as you watch beautiful stitches form on your quilt top.

Course Description: Come quilt with us as we try different creative fills, ruler work, and couching on the BERNINA Q16 and Q20 table models. As you quilt you will discover the features that make BERNINA midarm and longarm quilting machines so popular among quilters today. BERNINA has the only midarm and longarm quilting machines with stitch regulation built in the machine for table models.

Instructor: Betsy Carlson is a member of BERNINA's Longarm Team, and an owner of the BERNINA Q24 on a frame with Qmatic. She has quilted for many years, starting with quilt as you go, then hand piecing and quilting, and on to teaching in local quilt stores. Eventually she landed at the local BERNINA dealership where she conducted the Mastery, Embroidery and Software classes. Now she travels the country visiting quilt shows and BERNINA dealerships to share her love of the BERNINA Longarm. At home, Betsy quilts for herself and customers.

COURSE DESCRIPTON:

Course Description: Are you a perfectionist, an over-achiever or a true creative? Learn sewing, quilting and embroidery techniques tailored to your unique sewing profile. Create a technique reference book featuring 13 techniques, including sashiko, buttonholes, needle felting, ruler-work, and more.

Course Objective: The two-day course exposes you to a wide variety of techniques and will teach you sewing, quilting, and embroidery techniques. You will build a solid sewing foundation that will help you through a lifetime of sewing. At the end of the Academy, you will have made a Technique Book to use as a reference guide every time you walk into your sewing studio and turn on your BERNINA to sew your next project.
