The B 215 Simply Red is a user-friendly sewing machine boasting robust technology, exclusive BERNINA features and a young design.

Its features and advantages include:

#### Perfect BERNINA stitch quality

The CB hook system ensures perfect stitch quality and thread tension, and is easy to clean. With the 11 most important stitch types and a manual multistep buttonhole, the B 215 Simply Red meets all your basic requirements.

#### Fast and powerful sewing

The powerful motor (900 stitches per minute) boasts high needle penetration power, so you can also sew thick and multi-layered fabrics.

#### 5 presser feet included

The B 215 Simply Red is well equipped with sewing tools, including 5 presser foot soles, and grows to keep pace with your skills. You can individually upgrade the basic model with a wide range of special accessories, thereby expanding your sewing options.

#### Easy threading

The B 215 Simply Red has a reliable built-in threader which makes threading the needle child's play.

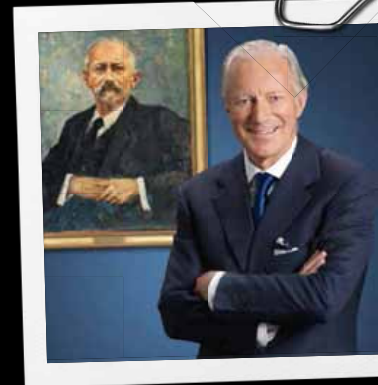

#### Easy to use

The clear display provides a constant overview of the most important information such as presser foot, stitch width and stitch length.

#### BERNINA quality and tradition

BERNINA is a fourth generation family-owned business that has been manufacturing sewing machines in Steckborn, Switzerland, for over 120 years. Since its inception in 1893, the BERNINA brand has been known for revolutionary ideas and a tireless spirit of innovation. Today, BERNINA is the only company manufacturing domestic sewing machines in the western world.
