

Five by Five Challenge

Join us as we start out the New Year with a Challenge, one of many fun events we hope to inspire you with during 2019. We are kicking off our 25th year, leading up to our 25th Anniversary on January 1, 2020. Our Five by Five Challenge will involve 25 - 5" x 5" squares, our choice. Hope you will play along, have some fun and win a Prize!

The Five by Five Challenge Rules are:

Purchase a Five by Five Challenge Starter Pak, containing 25 - 5" x 5" squares from **COTTONWOOD** for \$5.00. All proceeds will be used towards prizes.

You may delete up to 5 - 5" x 5" squares from the starter pak, but at least 20 original squares must be used. You may slice and dice them, but they must be recognizable.

You may add up to 5 - 5" x 5" squares of your own.

You may add up to 1 yard of a background or focus fabric.

You may add up to 2 half yards for borders and binding or whatever.

Your entry must be at least 25" on any one side and may not be larger than 50" on any one side.

Your entry must be finished and delivered to **COTTONWOOD** by March 25, 2019 to be hung for Viewers Choice Voting.

Entry belongs to the maker and will be returned following the Viewers Choice Voting.

Thanks for playing!
