

10-Night Quilt R & R by Land and Sea to Hawaii on the Norwegian Pride of America April 24-May 4, 2019

This is the one you have been waiting for-- Quilt R&R at Sea is heading to beautiful Hawaii! We will start our journey with a 3- night stay at the Waikiki Beachcomber in Honolulu where we can relax and adjust to the time zone, enjoy the historical and cultural offerings of Oahu, and learn how to do traditional Hawaiian applique. Our time in Oahu will culminate with an excursion to Pearl Harbor before heading to the port.

Then it is on to the Norwegian Pride of America for a 7-night inner-island cruise to 3 additional Hawaiian Islands with overnight stays in both Maui and Kauai. Travel along the scenic Hana Highway in Maui, explore Volcanoes National Park on Big Island, hike the Waimea Canyon in Kauai-- the choice of how you spend your days is yours. Of course, you may decide to visit a few fabric/quilt shops along the way!

Don't miss this unique opportunity to travel together to this wondrous part of the U.S., where natural beauty blends with dynamic culture, making for a truly unforgettable experience.
