

Akron Pond Survey

1. When the Town of Akron quits supplementing water to the Akron Pond, I would prefer the area to:

- Dry up and not put any more resources, money, or time into.
- Continue to be maintained by the Town of Akron as an outdoor recreation area with a pond and other outdoor recreation resources in the future.

2. Please explain briefly why you chose the answer you did for # 1.

3. If the Town moves forward with a Renewal Plan for the Akron Pond. Would you be willing to provide any of the following:

- Monetary Donation
- In-kind Contribution / Volunteer Time and/or Labor
- Youth Involvement
- Provide a project support letter / email
