

Mile End Sweatshirt

Mile End Sweatshirt pattern by Closet Core

Sewing machine in good working condition. You must have working knowledge of how to thread and use your machine.

A good quality stretch knit fabric. (Byrnes now carries good quality knits) Please check pattern back for amount of fabric to purchase. Be sure to measure yourself properly and use the pattern chart to determine size.

Schmetz chrome **stretch** knit needles size 75/11

Measuring tape and fabric marker

Sharp fabric scissors, thread snips, pins, seam ripper, etc.

Food to bribe the teacher

In this class we will learn how to measure and cut out this hooded top. Please prewash and dry your fabric prior to coming to class. The shop sample has an embroidered pocket. If this is your wish, this must be completed prior to class.
