Class Description

Choose a panel and make an Attic Window Wall Hanging. This is a fun block to learn and we'll learn different ways to make it. Choose a small to medium size panel to do your first Attic Window.

Required Supplies

A working sewing machine

1/4" presser foot

Rotary cutter and ruler

Panel that can be divided into windows

Coordinating fabrics - one light, one medium, one dark (1/2 - 1 yard of each depending on the size of your panel)

Thread

- Anything that is not required but might be nice to have – like their own iron, etc.
