

Class Name: **Brimfield Stitchalong**
Teacher Name: **Enjoli & Abby**
Email: enjoli@akseams.com

Class Description

Join Enjoli & Abby to make this fun and super popular English Paper Pieced project! Whether your fussy cutting (like E&A) or just using your favorite fabrics, these blocks come out super cute. We'll work through the various shapes and give you tips/tricks for success with EPP, plus learn both thread and glue basting techniques!

Required Supplies

- Brimfield pattern & papers
- 60 wt or smaller thread
- Your favorite EPP needle – we use either milliners 10 or 11
- Small pair of snips
- Glue or thread for basting your fabric to your papers

Note: This is a hand sewing class, no machine is required!

Optional Supplies

- Brimfield acrylic templates – these are especially helpful if you're fussy cutting.
- Desk top needle threader – saves your sanity rethreading a small eye needle.
- Mini iron for pressing fabric if you're cutting as you go.
