### Class Description

The attractive wallet-style clutch unfolds into a large, padded changing pad with plenty of pockets to store all the essentials. Two large zippered mesh pockets hold several diapers, baby wipes, and even small toys to keep baby entertained. An outer zippered pocket holds personal items and a handy flap closes the folded clutch keeping everything contained.

The extra-large baby changing pad is fully padded to provide comfort for your little one. The pad removes for easy laundering or to allow the clutch to be used separately.

Drop it in any bag, strap it to your wrist, or clip it to your stroller and you're good to go.

OR: Use Iron Safe fabric for a portable notions carrier and ironing station!
