Class Description

Easy and fun to make, these bags in five sizes are perfect for storing and carrying make-up, sewing supplies, tech gear, and more

Required Supplies

Clam UP Bag Pattern: All Supplies listed on back of Pattern, supplies vary per size.

*Depending on the size or sizes you are making please see the back of the pattern.

For most sizes FQ of Main, Lining and Accent will work.

*One package of 18" X 58" Soft & Stable will make ALL 5 sizes of this bag.

*You need one zipper per bag you make- you will have some waste if you choose to use handbag zippers, but they will be easier to install and use once finished!

Other necessary class items:

- A sewing machine in good working order with either an open toe foot or general purpose foot
- Note: If you are not able to bring your machine, you may rent a sewing machine from SLH. Please contact the shop at least 1 week in advance of class to ensure a machine is set up for you!
- Standard sewing supplies including: rotary cutter, ruler, mat, thread to match your project, bobbins and NEW needles for your machine

Optional Supplies: I find fusible Wonder Tape extremely helpful for installing zippers!

There is the option to put a swivel clip on the edge of this bag, if you want to be able to clip it to another bag, if you choose to add this please Purchase a ½" swivel hook!
