

Class Name: **Classic Shirt Re-Do**

Teacher Name: **Debby Carter**

Email: quilt_debby@yahoo.com

Class Description

This class is for students who previously made the Classic Shirt and would like to improve their skills by making another shirt. Let's refine the one you made earlier!

I'm happy to talk with you about any changes you'd like to make to your first shirt before class, so you can have a second shirt cut out and ready to sew. Just come by or call the shop.
