

Class Name: **Exploring Machine Embroidery**
Teacher Name: **Tama Stevenson & Debby Carter**
Email: _____

Class Description

Come learn what you can do with your embroidery machine. Each month will be different type of project. You bring the design and we'll supply the appropriate stabilizers.

Required Supplies

- Embroidery design file on USB stick in correct format for your machine
- Printed PDF file – thread changes and directions if needed
- User name & password for embroidery website
- Fabric and thread as needed
- Tweezers, thread snips

- A embroidery sewing machine in good working order with the following:
 - Embroidery presser foot & single hole stitch plate if needed
 - Hoops
 - Machine manual
 - Extra bobbins
 - Embroidery needles

Notes

Once you sign up you will receive an email with possible embroidery websites and designs to choose from. If you have questions about downloading designs or files, leave a message for Tama or Debby and we will give you a call.
