

Class Name: Folded Star/Morning Star Potholder

Teacher Name: Karen Smith

Email: momarchy@yahoo.com

Class Description:

This is a fun class for beginner sewists. You will finish at least one potholder in the class and I will provide lots of tips and helpful hints as I have made several!!! These would be great for gifts for all occasions. Also, you can make a very “scrappy” potholder using up all those scraps we seem to have difficulty parting with!!! I hope you can join me for a fun and easy class that actually produces something functional.

Required Supplies:

- Fabrics and supplies as listed on the pattern (Folded Star Potholder or Morning Star Potholder by Plum Easy)
- A working sewing machine and sharp needles (you can borrow a sewing machine from the shop)
- Mechanical pencil
- White pencil (for dark fabrics)
- Scissors – sewing pair for fabrics and paper pair to cut templates
- Sewing supplies – straight pins, hand sewing needles, and your favorite miscellaneous sewing supplies
- Fabrics and supplies as listed on the pattern-Folded Star Potholder by Plum Easy

Plus the following:

- Mechanical pencil
- White Pencil (for dark fabrics)
- Scissors – sewing pair for fabrics and paper pair to cut templates
- Sewing machine in good working order and sharp needles
- Sewing supplies – straight pins, hand sewing needles, your favorite miscellaneous sewing supplies
- Helpful but not absolutely necessary-walking foot
