

Class Name: **4-Patched Stacked Posies**  
Teacher Name: **Andrea Archer - 907-248-6367**  
Email: **aaquilterak@gmail.com**

Class Description:

Make a gorgeous quilt using only One print fabric for the blocks and the border.  
Sizes vary depending on fabric chosen and layout.

Level: Beginner Quilter (does require basic knowledge of sewing machine only)

Required Supplies:

4-Patched Stacked Posies Pattern (H. D. Designs); will be available at SLH.

- Focus Fabric: Yardage needed is based on Fabric design repeats on the fabric itself - typical repeats are 12" 18", 24" (ie.: 4 pattern repeats on the fabric will yield a twin size) - SLH staff will gladly help in your fabric selection). Selection of fabric requires groups of 4 repeats. Coordinating fabrics (for borders, sashing and cornerstones; plus backing and batting) can be purchased later or when you purchase focus fabric (refer to the pattern for necessary yardage).
- **DO NOT Pre-wash your Fabric** (it will make it more difficult to line up the repeats) Purchase a good quality quilt shop cotton fabric (not worry about colors or sizing problems). Fabric can be ironed/pressed and spray starched in advance of class.
- Sewing Machine
- Standard Sewing supplies - pins (flower head/flat tops), scissors, rotary cutter, ruler (6" x 24") and 6 1/2 " square (if you have one) and spray starch.

Before class preparation:

- Fabric can be ironed/pressed and spray starched.
- Prepare to have a good time. :-)
