Infinity Scarf

Project suggestions

Stretch or ball point needle
Stretch stitch-lightning bolt
Fabrics-knits, polar fleece, minkee, cottons

Project steps

Cut fabric 14" wide (suggested) x WOF

Fold right sides together and form into a tube

Sew long side seams together leaving a 2-3" opening gap near the top

Turn right side out

Flip inside out one more time and fold half way until ends meet

Sew short ends together around the tube

Pull scarf out of the opening and then stitch opening closed

Ideas!

Make it shorter and sew it into a neck warmer or head band. (6"x circumference of head)

Create a cowl that will cover your head and neck (16"x18" approx.)
