Class Description:

This is a twist on the classic box pouch. The Annex has two separate zippered compartments, perfect for keeping your essentials separated! The pouch is also available in 3 different sizes; small, medium, and large. This makes a great bag for sewing supplies, cosmetics and even as a small travel bag for essentials.

Required Supplies:

Annex Double Zip Box Pouch pattern (full list of supplies are on the back of the pattern.)

Sewing machine in good working order.

Basic sewing supplies

Optional Supplies:

Wondertape (I highly recommend this for installing zippers)
