**Class Description:**

Cyanotype is a photographic printing process that produces a cyan-blue print. Come play with a variety of colors and designs to create your own specialty fabric. Use for art quilts, speciality bags or sew it in a quilt!

**Required Supplies:**

All supplies will be included in a \$10 kit fee. Fee will be collected at the beginning of class. Kit includes all materials to create a variety of cyanotype prints.

**Optional:**

Bring some fun shapes, leaves, feathers, to be used in the printing process.
