They are like potato chips~you can't make just one!

Required Supplies:

- 2-10" squares (one will be outside and one will be lining-this will make 2)
- A scrap at least 2" x 4" for the loop
- 2-14" zippers
- 1/4 yd Shape Flex
- 1/4 yd Fusible Fleece

Optional Supplies:

- Wonder tape (I highly recommend this for installing zippers)

***Notes: These pouches are great for scraps too! Feel free to bring scraps to play with too! Pattern will be handed out in class!**
