

Class Name: Kids Sew Apron

Teacher Name: Carrie Payne / Paulette McDermott

Email: carrie@believemagic.com

Class Description:

This class is open to any child who has completed Kids Learn to Sew.

In this 1 day class, kids will utilize skills practiced in their Seams and Samples workbook to create a reversible apron with pockets using a panel. Kids will have their choice of panel (with either Secret Life of Pets or Minions). Students will be challenged in this class to: cut the fabrics for their apron and pocket, pressing strips of fabric to create the ties and stitching long straight lines.

Note: This is a kids only class and as such parents are not allowed. We want kids to view the classroom as their sewing clubhouse. Since the store is not open for shopping during the class sessions, parents are encouraged to enjoy the class time without their kids. However, if you wish remain nearby, parents will need to wait in the parking lot.

Required Supplies:

The class fee includes:

- Use of a sewing machine
- Fabric and thread for completing the project

Please bring:

- Sewing kit with:
 - fabric scissors
 - clips or pins
 - marking pen
- Snack in case you get the munchies during all the fun
