Charity: Alaska Bully Rescue

Alaska Bully Rescue was founded in January 2015 by a group of people with a passion and love of the bully breed. Recognizing that there was a need in our city and state to provide a safe haven for this breed of often misunderstood dogs, this group came together to work towards the common goal of rescuing and rehoming bully breed dogs. Along with rescuing dogs, Alaska Bully Rescue works diligently to help end the negative perception of the bully breed and help change how people view these loving and affectionate dogs. All of our rescues are brought up to date on vaccinations if they are not current and are spayed or neutered before they are adopted.

Project: Handmade items for AK Bully Rescue to sell at their Adoption Clinic to help raise funds. Items such as food dish mats, bandanas or waste bag carriers are great ideas!
