

Class Name: Meanders Into FMQ

Teacher Name: Enjoli Strait

Email: doodlequiltingstudio@gmail.com

Class Description:

This class is for brand new machine quilters. We start with the basics; discussing threads, needles, batting and other FMQ supplies. You will learn how to baste a quilt sandwich together which we will use to learn common all-over quilting designs and free motion fillers. This class will help you get comfortable with how the quilt sandwich moves under the needle of your home sewing machine.

Required Supplies:

- “Free Motion Meandering – A Beginners Guide to FMQ” by Angela Walters
- Class Kit (includes all fabric, batting, basting pins, thread and needles you will need for all sessions) OR equivalent supplies
- Sewing Machine in good working order, with ability to lower or cover the feed dogs
- FMQ foot for your sewing machine

Optional Supplies:

- We will discuss some other supplies that are nice to have, but not required for FMQ – all will be available for purchase during class.

***Notes:** You will not need your sewing machine for the first class. You will receive your kit during class 1, which will be lecture/demo. If you prefer to gather supplies on your own instead of purchase a kit, we will discuss what you need during class one as well.
