

Class Name: **Meander Into Free-Motion Quilting**  
Teacher Name: **Enjoli Strait**  
Email: **hello@doodlequiltingstudio.com**

---

### Class Description

This class is for brand new machine quilters. We start with the basics, discussing threads, needles, batting and other FMQ supplies. You will learn how to baste a quilt sandwich together which we will use to learn common all-over quilting designs and free motion fillers. This class will help you get comfortable with how the quilt sandwich moves under the needle of your home sewing machine.

### Required Supplies

- Machine with ability to lower or cover feed dogs
- “Meander Into Free-Motion” by Angela Walters
- Free-motion quilting/darning foot for your machine
- “FMQ Kit” (optional) – includes all materials needed for 3 Quilt Sandwiches  
OR
- 6 FQ to make 3 Quilt Sandwiches, 3 FQ size pieces of batting for Quilt Sandwiches, curved basting pins, 80/12 or 90/14 topstitch needles, 40 wt or 50 wt thread to quilt with (contrast to fabric).
- Thread snips to keep by your machine

### Optional Supplies

- An extended base table – just to give you a little more room.
- For Bernina Owners: if you have a BSR please feel free to bring it, I will do a short demo on how it works

### Note:

**You will not need any supplies for our first class.**

**Please just bring something to take notes with if you would like. We will cover all the needed supplies and you will have an opportunity to purchase the “FMQ Kit” if you would like. I will also have copies of the required book for you to purchase on the first night.**
