### 4. Assemble Pieces

Lay down front piece, right side up.

Lay down longest back piece, on top of front piece, wrong side up. The hemmed edge is toward the center. Line up unfinished edges and pin back piece to front piece.

Lay down second back piece, wrong side up, on the opposite end. The hemmed edge is toward the center. The two back pieces will overlap at their hemmed edges. Line up unfinished edges and pin all layers together.

### 5. Stitch Layers Together

Stitch around all four sides, through all layers, 1/4" from edge.

Turn right side out, using back opening for turning.

For pillow inserts use old pillows or an old pillow case stuffed with fabric or batting scraps. Sew old pillow case closed.
