

Class Name: Qupak

Teacher Name: Abby Allan

Class Description:

Have you ever wanted to put a little more decorative finishes on your kuspuks? We will be going over the technique of applying trim to your kuspuk that uses bias tape and/or ribbons. We will be doing a small project of applying it to a towel so that you can have an example for you to take with you at the end of the evening, but you can apply that to your garment sewing. If you want to purchase a kit from the teacher, I will provide hand towels and bias tape/ribbon for the qupak.
